About PULSUS

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

PULSUS conferences act as a catalyst on the research trends that really matter and spurring their adoption by exploring and disseminating cutting-edge information. Thus, mainly adhere to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.

Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

About City and Venue

London, capital of the United Kingdom is one of the oldest World great cities and it is one of the most cosmopolitan.It is the country economic transportation and cultural centre. London is also known as the Square Mile. London is in the south-eastern England, lying astride the River Thames. Three out of Top Ten Museum and Galleries in the World are in London. It has four UNESCO world heritage sites: Tower of London Maritime Greenwich, Westminster Palace and Kew Royal Botanic Gardens. London Design Festival is the world leading event of itsle to innovative projects. Wilton Music Hall is the world oldest surviving Music Hall which was built in 1743 and still a living piece of London is the home to two of the World's most expensive buildings, a concert hall shaped like a durian fruit and the museum like a split banana. The London played a major role in the many films which includes Harry Potter and is the world third busiest film production centre.
