Abstract Submission

This program will give an opportunity to present research,unique techniques or clinical experiences oral presentations Each Plenary talk will be given 25 minutes. We recommend you plan to present for approximately 20 minutes with 5minutes for questions/discussion.

Delegate Participation

Participate in the program, where we pair experienced clinicians (mentors) with a small group of mentees to meet with throughout the conference. This exclusive benefit of delegates allows clinicians to ask questions, get advice, and build their network. Many delegates and speakers even stay in touch after the conference.

Young Research Forum

The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers. Young Researcher Sessions are organized at the Annual Nephrology 2019, to provide a unique platform for Young Researchers/ Investigators for presenting latest research projects with an in-depth analysis. Young Investigators (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty) are the focus of this event. All submissions must be in English. For further information please contact: annualnephrology@pulsusmeetings.net

Breakfast with Experts

During this attendee-favorite event, choose a table with a topic you're interested in and spend breakfast discussing that topic with an expert and a small group of other clinicians. This is a great opportunity to follow up on any questions you may have from the sessions you've already attended.

Exhibition

Learn about the cutting-edge technologies, products, and services available to you as an clinician. Talk with exhibitors, try samples, and discover new products and services to use in your practice

Networking Lunch

We'll provide you the delicious lunch in the hotel so you can spend an enjoyable afternoon out getting to know your colleagues. (Dinner costs are the individual's responsibility)

Best Poster Award

Learn about the latest clinical research happening in Nephrology by attending the poster session and visiting with the authors of each study. Or, submit your own abstract for consideration and share your research with the foremost experts in the field. The poster exhibition will be located on the exhibition area of the congress center. The area will be clearly signposted from the registration area.
