ABOUT US

February in Paris is beautiful! Even though the city is beginning to take off its Christmas lights, the magic remains.

Within the splendid setting in Paris, we have planned to organize 20th Annual Conference on Nephrology that will exceed your expectations.

It is with great pleasure and honor, we invite you to the "**20th Annual Conference on Nephrology**" scheduled on **February 17 and 18, 2020** at **Paris, France**. Annual Nephrology 2020 is annual, 2 days face-to-face gathering for the entire Nephrology community.

We anticipate more than 100 participants around the globe to experience the provoking and engaging sessions. Internationally leading scientists in Kidney research are joining us here in to present and discuss their most recent research and achievements during this event. The Nephrology keynote will start off the day full of insight from some of the world's leading experts in Nephrology.

The ultimate goal of this Nephrology conference is to discuss about the most effective cutting-edge strategies to help doctors to reach their treatment goals with patients with End Stage Kidney Disease and Renal Replacement Therapy and avoid the associated acute and chronic complications.

You will enjoy inspirational talks & a friendly atmosphere designed to help attendees to meet interesting people, learn from each other, and have a stimulating experience.

What you can expect at Annual Nephrology 2020?

- *Invited talks and panels*
- *Presentations by the Nephrology community*
- *Panel Discussion*
- *B2B meetings*

01

WHO SHOULD ATTEND

Nephrologists, Professors and Students from Academia in the study of Kidney diseases and treatments and researchers who utilize novel techniques and knowledge in generating research Ideas in Nephrology, Research scientists, Business delegates, CEO's and R&D Heads from Industries, Directors, Industrial Leaders, Pharmaceutical companies, Chemical & Medicinal drug Industries

OBJECTIVES

After participating in this meeting, attendees should be able to

- Discuss emerging research prospects in Nephrology
- Discuss and apply recent research findings related to Nephrology
- Disseminate the diverse voices of breakthrough innovators with visionary and practical solutions

CALL FOR ABSTRACTS

Don't miss this chance to present research on basic science, diseases, prevention, diagnosis and treatment in Nephrology at 20th Annual Conference on Nephrology in Paris, France on February 17-18, 2020.

It is an opportunity for the young talents to network in a formal setting with the plenary speakers and top scientists in the field.

"*Poster and oral slots are available*"

Participation in these sessions is upon submission of an abstract (see details below). Applicants will be selected based on the quality of their abstract.

Send us your Abstract through:
annualnephrology@pulsusseries.com

PURPOSE
