ABOUT US

February in Paris is beautiful! Even though the city is beginning to take off its Christmas lights, the magic remains.

Within the splendid setting in Paris, we have planned to organize 20th Annual Conference on Nephrology that will exceed your expectations.

It is with great pleasure and honor, we invite you to the world class, **20th Annual Conference on Nephrology** which is planned on **February 17-18, 2020** at **Paris, France**. Annual Nephrology 2020 is annual, 2 days face-to-face gathering for the entire Nephrology community.

We anticipate more than 100 participants around the globe to experience the provoking and engaging sessions. Internationally leading scientists in Kidney research are joining us here in to present and discuss their most recent research and achievements during this event. The Nephrology keynote will start off the day full of insight from some of the world's leading experts in Nephrology.

The ultimate goal of this Nephrology conference is to discuss about the most effective cutting-edge strategies to help doctors to reach their treatment goals with patients with End Stage Kidney Disease and Renal Replacement Therapy and avoid the associated acute and chronic complications.

You will enjoy inspirational talks & a friendly atmosphere designed to help attendees to meet interesting people, learn from each other, and have a stimulating experience.
