About Pulsus

PULSUS conferences act as a catalyst on the research trends that really matter and spurring their adoption by exploring and disseminating cutting-edge information. Thus, mainly adhere to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.

Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. We want our conferences, societies, associations and the technology communities and companies who participate in them, to include, encourage, and recognize people of all races, ethnicities, genders, ages, and abilities. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Market Analysis

Reducing and eliminating racial and ethnic disparities in infant mortality in Toronto City. The Healthy People 2010 objective is to reduce the Pediatric mortality rate to no more than 4.5 per 1,000 live births.1 The Pediatric mortality rate for LAC has had a downward trend for the past ten years, going from 5.9 deaths per 1,000 live births in 1997 to 4.8 deaths per 1,000 live births in 2006.2 Nevertheless, racial and geographic disparities in pediatircs mortality and adverse birth outcomes persist. In order to reduce the mortality rate this conference is going to be held at Los Angeles.

Annual Pediatrics 2018 provides the best opportunity to meet eminent scientists from all over the world. Accepted papers will be published in the following Pulses Group Journals.

- Journal of Pediatric Health Care and Medicine
- Clinics in Mother and Child Health
- Archives of Medicine
- Health Science Journal

About City

Toronto is the most populous city in Canada and the provincial capital of Ontario. It is located in Southern Ontario on the north western shore of Lake Ontario. The earlier name of Toronto is York during late 18th century; the city was ransacked in the Battle of York during the War of 1812. In 1834, York became a city and renamed to Toronto. Toronto is a clean, safe cosmopolitan city with a wonderful network of parks, recreational, and cultural facilities. Toronto is the home of four professional sports teams and the third largest English-speaking theatre district in the world, behind New York and London. One of the world's most ethnically diverse cities, it is home to more than 80 ethnic communities from Africa, Asia, and Europe. Toronto is also the business centre of Canada.

Toronto is the leading tourism destination in Canada, attracting more than 25 million Canadian, American and international visitors annually (Tourism Toronto, 2012). In 2012, the Toronto region welcomed 9.9 million overnight visitors. Visitors to Toronto spend about $5.1 billion in direct expenditures during their visits. Visitors to the Toronto region support more than 329,000 people who work in tourism and hospitality. Based on 2013 estimates, Toronto welcomed 13.69 million overnight visitors. 1.42 million visitors arrived from overseas markets (all countries other than Canada and the U.S.) with a further 2.18 million Americans staying overnight – a 1.7 per cent increase over 2012 and a 9.7 per cent increase over 2010 (Tourism Toronto, 2013).The U.K. remains Toronto's largest overseas visitor market with 201,000 arrivals in 2013.
