Antibiotics 2019

Invitation

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Rome is all set for an amazing event as PULSUS proudly presents the "World Congress on Antibiotics and Antimicrobial Resistance" slated on September 23-24, 2019 at Rome, Italy.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Antibiotics and Antimicrobial resistance professionals from around the world to participate in the upcoming Antibiotics 2019. The meeting for this year will revolve around the theme "**The emergence of Antibiotics Era**" thus relaying the most cutting edge findings in the field of Antibiotics and Antibiotic resistance. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

Regards
Antibiotics 2019
Organizing Committee

Conference Highlights

- New Antibiotic Innovations
- The Emergence of Antibiotic Resistance
- Challenges and Opportunities to overcome Antibiotic Resistance
- Novel Delivery Technologies and Drug Discovery
- Antibiotics for Emerging and Re-emerging Diseases
- Chemistry of Antibiotics and mode of action
- Hospital acquired antibiotics resistance
- Different Applications and Types of Antibiotics
- Microbiology and antibiotics
- Antibiotics and Clinical Trials
- Antibiotic Prophylaxis
- Modern Antibiotics for Various Diseases and Infections
- Antibiotic Regulatory Affairs
- Antibiotic Treatment and Advances
- Antibiotics: In Pregnancy and Lactation
- Antibiotics: Market Analysis & Business Opportunities
- Antibiotics in Different Industries
- Advances in Infectious Antibiotics
- Dissemination of antibiotic resistance
- Conventional and non-conventional strategies to fight resistant bacteria

About PULSUS

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

PULSUS conferences act as a catalyst on the research trends that really matter and spurring their adoption by exploring and disseminating cutting-edge information. Thus, mainly adhere to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.

Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Antibiotics 2019

Market Analysis

Antibiotics 2019 is an excellent platform to discuss critically important research and to intensify collaborations and scientific research. This conference aims in gathering renowned Scientists, Professors and Research professionals across the globe under a single roof, where they discuss the research, achievements and advancements in the field of Antibiotics and Antimicrobial resistance, also to promote continuous medical education and encourage a nourishing exchange of facts and ideas about Antibiotics and Antimicrobial resistance. Antibiotics 2019 is a unique international conference that distinguishes itself by addressing topics that provide both scientific value and practical implementation strategies.

Target Audience

- Healthcare Students, Scientists, and professors
- Doctors
- Microbiologist
- Laboratorist
- Bacteriology Researchers
- Faculty of bacteriology and infectious diseases
- Medical Colleges
- Healthcare Associations and Societies
- Business Entrepreneurs

Conference Opportunities

- Speaker Presentations
- Poster Display
- Symposium hosting (4-5 member team)
- Workshop organizing
- For Researchers and Faculty Members

Why to attend?

- 10+ Keynote Speaker Session
- 50+ speaker faculty over 2 full days sharing Evidence Based Nursing practice
- 5+ Workshops
- 13 Interactive sessions
- Mixture of Health care units and Academia Delegates
- Networking

For Universities, Associations & Societies:

- Association Partnering
- Collaboration proposals
- Academic Partnering
- Group Participation

For Business Delegates

- Speaker Presentations
- Symposium hosting
- Book Launch event
- Networking opportunities
- Audience participation

About City and Venue

Rome, the Eternal City, is the capital and largest city of Italy and of the Lazio region. It's the famed city of the Roman Empire, the Seven Hills, La Dolce Vita, the Vatican City and Three Coins in the Fountain. Rome, as a millennium-long centre of power, culture and religion, has exerted a huge influence over the world in its roughly 2800 years of existence. It is situated on the river Tiber, between the Apennine Mountains and the Tyrrhenian Sea. Today, the city is the seat of the Italian government and home to numerous ministerial offices. Rome has 2.6 million inhabitants while its metropolitan area is home to around 4.2 million.

The historic centre of the city is a UNESCO World Heritage Site. With wonderful palaces, millennium-old churches, grand romantic ruins, opulent monuments, ornate statues and graceful fountains, Rome has an immensely rich historical heritage and cosmopolitan atmosphere, making it one of Europe's and the world's most visited, famous, influential and beautiful capitals. Today, Rome has a growing nightlife scene and is also seen as a shopping heaven, being regarded as one of the fashion capitals of the world (some of Italy's oldest jewellery and clothing establishments were founded in the city).
