About

On behalf of Pulsus, **Arthroplasty 2020** welcomes all the eminent researchers and scholars around the globe to be the member of "**13th International Conference on Arthroplasty**" scheduled on **February 17-18, 2020** at **Paris, France**. The objective of the conference is to reach the advancement in the field of Arthroplasty by the global gathering and meeting of peoples from various diversities to share the knowledge by oral presentations, poster presentation and by the delivery of speech & lectures or as a delegate in the research forum.

Arthroplasty 2020 is an International gathering that unites all the innovators to glaze the entire field of arthroplasty and to experience the advancements in the research and development of the orthopedics surgery. It is the global platform for all the scholars, researchers, scientist, organizations and industries to converse concerning the current developments, recent advances, new approaches and future approaches and postoperative managements in the field on arthroplasty and orthopaedic surgery. The event comprises the various aspects of arthroplasty and with new emerging prosthesis with applied technologies of biomaterials, nanotechnology and Tissue engineering in Orthopedics are comprised in the conference.

Arthroplasty 2020 is eagerly waiting in addressing all the participants, scholars, researchers and industrial expects to make the gathering more successful. The International symposiums, B2B meetings, International workshops will also be organized to discuss the specific topics in the field of arthroplasty.

Conference Highlights

- Arthroplasty
- Orthopaedic trauma
- Bones and Joints Infection
- Arthroscopic surgery
- Fracture and its Complications
- Rehabilitation of Fractures
- Bone Tumours
- Orthopedic Sports medicine
- Radial Head Arthroplasty
- Paediatric Orthopedics
- Total Shoulder Arthroplasty
- Total Elbow Arthroplasty
- Forearm and Wrist Arthroplasty
- CMC and PIP Joint Arthroplasty
- Spine Arthroplasty
- Hip Arthroplasty
- knee Arthroplasty
- Ankle Arthroplasty
- Biomaterials in Arthroplasty
- Advances in Arthroplasty

Organizing Committee Members

Satish Goyal
Vivekanand Institute of Medical Sciences, India

Luca Lucent
Nuova Itor Clinic, Rome, Italy

Vel Sakthivel
BMI The Lincoln Hospital, UK

Fabrizio Russo
Bio-Medico University Italy

Om Prakash Gupta
Max Smart Super Speciality Hospital, India

Mohamed AbdElaziz
Damietta Specialized Hospital, Egypt

Mojtaba Mafi
Tehran university, Iran

Abdelmonem Hegazy
Zagazig University, Egypt

Natasa Janjic
Clinical Center of Vojvodina, Serbia

Pipino Gennaro
Villa Regina hospital, Italy

Agenda

Day 1: February 17, 2020

Time	Session
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
Group Photo	
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Arthroplasty | Orthopaedic trauma | Bones and Joints Infection
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Arthroscopic surgery | Fracture and its Complications | Rehabilitation of Fractures
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Tracks: Bone Tumours | Orthopaedic Sports medicine | Radial Head Arthroplasty

Tentative

Day 2: February 18, 2020

Time	Session
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Paediatric Orthopedics | Total Shoulder Arthroplasty | Total Elbow Arthroplasty | Forearm and Wrist Arthroplasty
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: CMC and PIP Joint Arthroplasty | Spine Arthroplasty | Hip Arthroplasty | knee Arthroplasty
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Ankle Arthroplasty | Biomaterials in Arthroplasty | Advances in Arthroplasty
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster Presentations
Day Concludes	

Tourist Attractions

Venue

Paris, France's capital, is a major European city and a global center for art, fashion, gastronomy and culture. It is regarded as the 'The city of lights', 'the city of Romance', 'the culinary capital of the world', all these are just names Paris, France is known by. Over seven million people visit each year. The most Prominent landmark in Paris would have to be the Eiffel Tower. More the seven million people visit the Eiffel Tower each year.

The Arc De Triomphe and Versailles are some of Paris' other famous landmarks. Versailles is one of the most extravagant buildings in the world. There are tons of museums in Paris. Some of the well-known ones are the Louvre and Musee de L'Air et de L'espace. Paris also has many art galleries. Musee de L'orangerie, the Pompidou center, and the Orsay museum are just a few. One interesting fact about Paris is that however well you know Paris, there's always something new to explore.

"London is a riddle. Paris is an explanation."

– G. K. Chesterson

By economy, France ranked world's ninth and Europe's second largest economy in terms of purchasing power parity. Paris is the hub to 29, among world fortune 500 companies. The major economy is based on commerce, service industry, constructions and transportation industry. The French training framework is exceedingly composed and separated into essential, optional and advanced education. A fourth of the populace are straightforwardly associated with the instruction framework. Advanced education in France is described by minimal effort and high caliber of research.
