21ST INTERNATIONAL CONFERENCE ON

ORTHOPAEDICS, ARTHROPLASTY AND ARTHROSCOPY

MAY 18-19, 2026 | LONDON, UK

INVITATION

ARTHROPLASTY 2026

Greetings

The 21st International Conference on Orthopaedics, Arthroplasty, and Arthroscopy will take place on May 18–19, 2026, in London, United Kingdom, bringing together orthopedic professionals from around the world to explore the evolving science of joint care and surgical excellence. This **Arthroplasty 2026** event catalyzes that progress by connecting clinical expertise with emerging research and practical experience. Through immersive sessions, case-based learning, and multidisciplinary dialogue, participants will gain actionable insights to refine surgical approaches, enhance patient recovery, and anticipate future advancements.

Arthroplasty

2026

Market Analysis

The global arthroplasty field is experiencing consistent growth, driven by an aging population, rising prevalence of osteoarthritis and degenerative joint diseases, and increasing demand for joint replacement procedures. Arthroplasty services and facilities are expected to expand significantly between 2025 and 2030, supported by advancements in surgical techniques, implant technologies, and investments in healthcare infrastructure. In addition, the adoption of robotic-assisted surgery, digital surgical planning, AI-powered diagnostics, and smart implant systems continues to grow, enabling more precise procedures
