Invitation

PPULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. London is all set for an amazing event as PULSUS proudly presents the "**World Congress on Bioavailability and Bioequivalence**" slated on **November 11-12, 2019** at London, UK.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of BABE professionals from around the world to participate in the upcoming **BABE 2019**. The meeting for this year will revolve around the theme "**The difference in increased Bioequivalence and increased Bioavailability - Unwinding Innovations**" thus relaying the most cutting edge findings in the field of BABE 2019. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

Regards
BABE 2019
Organizing Committee

Conference Highlights

- Advances in Bioavailability
- Fostering in Bioequivalence
- BA/BE Studies
- Pharmacology Research
- Clinical Drug trials
- Pharmacodynamics
- European Bioequivalence
- Biopharmaceuticals – Emerging and Applications
- Biosimilars & Biowaivers
- Pharmacokinetics
- Bioequivalence Study protocol
- Drug Design and evolution
- Regulatory Phenomenon
- Pharmacovigilance
- Public Health & Nutrition's
- In-vitro & In-vivo Bioequivalence studies
- FDA in Bioequivalence

Agenda

November 11, 2019 - Monday

Time	Session
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
Group Photo	
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Advances in Bioavailability | Fostering in Bioequivalence
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: BA/BE Studies | Pharmacology Research
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Tracks: Clinical Drug trials | FDA in Bioequivalence

Tentative

November 12, 2019 – Tuesday

Time	Session
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Pharmacodynamics | European Bioequivalence
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Biopharmaceuticals – Emerging and Applications | Biosimilars & Biowaivers | Pharmacokinetics
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Bioequivalence Study protocol| Drug Design and evolution | Regulatory Phenomenon | Pharmacovigilance| Public Health & Nutrition's | In-vitro & In-vivo Bioequivalence studies
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster Presentations
Day Concludes	

Tourist Attractions

Venue

London is the capital and most populous city of England and the United Kingdom. Standing on the River Thames in the south east of the island of Great Britain, London has been a major settlement for two millennia. It was founded by the Romans, who named it Londinium. London's ancient core, the City of London, largely retains its 1.12-square-mile (2.9 km2) medieval boundaries. It is often regarded as a world cultural capital. It is a leading global city in the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism and transportation. It is the world's largest financial center and has the fifth or sixth largest metropolitan area GDP in the world.
