PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Osaka is all set for an amazing event as PULSUS proudly presents the "3rd World Congress on Bioinformatics and System Biology" slated on August 26-27,2019 at Osaka, Japan.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Bioinformatics and System Biology from around the world to participate in the upcoming Bioinformatics 2019. The meeting for this year will revolve around the theme "**Integrating the knowledge on Bioinformatics and System Biology**" thus relaying the most cutting edge findings in the field of Bioinformatics and System Biology researches. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

About City and Venue

PULSUS
WWW.PULSUSCONFERENCE.COM

Osaka prefecture located in the centre of Kinki region Midwest Japan but boasts of largest population and highest population density second only after the capital, Tokyo. Mountains surround three sides of the prefecture and the west faces the arc-shaped Osaka Bay. Home to nearly nine million and powering an economy that exceeds both Hong Kong's and Thailand's, Osaka packs quite a punch. The confident, stylish city is a shopping hub, with fabulous restaurants and nightlife. It's an ideal base for exploring the Kansai region: Kyoto's World Heritage Sites, Nara's temple and Koya-san's eerie graves are within 90 minutes by train. Top city attractions include the aquarium, Osaka Castle, Universal Studios Japan and the futuristic Floating Garden Observatory.
