16th INTERNATIONAL CONFERENCE ON

BIOTECHNOLOGY

April 16-17, 2026| Rome, Italy

https://biotechnologycongress.pulsusconference.com/

INVITATION

BIOTECHNOLOGY CONFERENCE 2026

We are thrilled to invite you to join us for an inspiring scientific gathering in **Rome, Italy**, on **April 16-17, 2026**, as we unveil the next chapter of biotechnology at the "**16th International Conference on Biotechnology"** under the dynamic theme: ***"Living Technologies for a Changing World: The Future Begins in Biotechnology."***
This global conference is set to be a vibrant hub of innovation, bringing together visionary scientists, emerging researchers, and industry trailblazers who are shaping the biotechnology of tomorrow. From cutting-edge advancements in genetic engineering and synthetic biology to transformative breakthroughs in healthcare, agriculture, and environmental sustainability—this event will explore it all.

Be prepared for an energizing experience filled with thought-provoking keynote talks, high-impact research presentations, interactive panels, and unparalleled networking opportunities. Whether you're advancing biotechnology in the lab or translating discoveries into real-world solutions, this is your platform to engage, connect, and elevate your impact.

Join us in Rome and become a part of the movement redefining biotechnology for a limitless future.

We can't wait to welcome you to a conference where science lives and possibilities know no bounds!

Register now to secure your place at the forefront of scientific evolution. We can't wait to welcome you to a conference where science lives and possibilities know no bounds!

Regards,
Manina Rachel | Biotechnology Conference 2026
Organizing Committee

CONFERENCE HIGHLIGHTS

- Biotechnology
- Plant Biotechnology
- Food and Nutritional Biotechnology
- Marine and Aquatic Biotechnology
- Bioprocess Engineering &Biochemistry
- Nanobiotechnology
- DNA technology
- CRISPR
- Forensic Biotechnology
- Fermentation Technology
- Bioinformatics and Computational Biology
- Bioenergy and Biofuels
- Biomedical and Health Biotechnology
- Veterinary and Animal Biotechnology
- Biosensors and Biomarkers
- Pharmaceutical Biotechnology
- Stem Cell Biotechnology
- Regenerative Medicine
- Industrial and Microbial Biotechnology
- Future Directions of Biotechnology

35
Years Excellence

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientistsand researchers to exchange ideas and research by creating a forum for discussing the possibilities offuture collaborations between universities, institutions, research bodies and organizations from differentcountries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer establishedin the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standardsin research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International
Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

The biotechnology market grew steadily at a compound annual growth rate (CAGR) of approximately 7–10%. Key growth drivers included major advancements in genomics, rising R&D investments across pharmaceutical and life science sectors, and the increasing adoption of bio-based production methods in healthcare, agriculture, and industrial biotechnology. During this decade, biotechnology established itself as a transformative force, supporting breakthroughs in diagnostics, therapeutics, and sustainable bio-innovation.

2026–2035:

The biotechnology market is projected to grow at a higher CAGR of around 10–14%, supported by rapid progress in personalized medicine, next-generation biopharmaceuticals, gene editing technologies such as CRISPR, AI-powered drug discovery, and synthetic biology. By 2035, the biotechnology market is expected to surpass USD 2 trillion, driven by innovations in regenerative medicine, biofabrication, precision agriculture, and sustainable biomanufacturing.

TARGET AUDIENCE

- Chief Executive Officers (CEOs)
- Heads / Directors / Vice Presidents
- Scientists
- Research Lab Professionals
- Faculty and Students
- Young Scientists and Researchers
- Research Scholars
- Members of Associations and Societies
- Biotechnologists
- Microbiologists
- Business and Industrial Experts

WHO SHOULD ATTEND

- Media Partners / Collaborators
- Industrial Professionals
- Pharmaceutical Companies
- Medical Device Companies
- Biotechnology Research Institutes
- Nanomedicine Research Institutes
- Nanobiotechnology Companies
- Biotechnology Manufacturing Companies

WHY TO ATTEND

Biotechnology Conference 2026 is an international platform for presenting research about development, diagnosis, prevention and management and exchanging ideas about it and thus, contributes to the dissemination of knowledge in Biotechnology for the benefit of both the academia and business.

The organizing committee of this Biotechnology conference is gearing up for an exciting and informative conference program including plenary lectures, symposia, workshops on a variety of topics, poster presentations and various programs for participants from all over the world.

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR $7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

BRONZE SPONSOR
$3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

EXHIBITION SPONSOR
$2500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

EDITORIAL BOARD MEMBERS

Yiquan Wu
Alfred University, New York

Dr. Abdelwahab Omri
Laurentian University, Sudbury, Canada

Dr. Raghavender Medishetty
Technical University of Munich, Germany

Emmanuel O. Akala
Howard University, US

Yang Yang
University of Central Florida, USA

SUPORTING JOURNALS

Selected contributions will be published in following supporting international Journals:

Journal of Microbiology and Biotechnology Reports
https://www.pulsus.com/journal-microbiology-biotechnology-reports.html

Journal of Plant Biology and Agriculture Science
https://www.pulsus.com/journal-plant-biology-agriculture-sciences.html

Journal of Animal Genetics Research

CONFERENCE

AGENDA/ TENTATIVE PROGRAM

April 16, 2026 - THURSDAY	
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
Group Photo	
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Biotechnology | Plant Biotechnology | Food and Nutritional Biotechnology
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Nanobiotechnology | DNA technology | Industrial and Microbial Biotechnology
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Tracks: Marine and Aquatic Biotechnology | Bioprocess Engineering &Biochemistry & Pharmaceutical Biotechnology
Day Concludes	
APRIL 17, 2025 - FRIDAY	
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Forensic Biotechnology | Fermentation Technology | Bioinformatics and Computational Biology
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Biosensors and Biomarkers | CRISPR | Stem Cell Biotechnology | Regenerative Medicine
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Bioenergy and Biofuels | Biomedical and Health Biotechnology | Veterinary and Animal Biotechnology
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster Presentations
Day Concludes

ABOUT VENUE

The **16th International Conference on Biotechnology** will take place on **April 16–17, 2026**, in **Rome, Italy.** Rome, the historic capital of Italy, is a global center of culture, science, and innovation—providing an inspiring backdrop for a world-class biotechnology gathering.

Famous for iconic landmarks such as the **Colosseum, Roman Forum, Pantheon, Vatican City**, and **Trevi Fountain**, Rome beautifully blends ancient history with modern scientific progress. Its vibrant districts—including **Trastevere, Monti,** and **Testaccio**—are alive with creativity, research excellence, and international influence.

Home to renowned universities, medical research centers, and advanced biotechnology institutes, Rome stands at the forefront of scientific discovery and biomedical innovation. Its exceptional cuisine, warm hospitality, efficient transportation, and cosmopolitan environment make it an ideal destination for professionals from across the globe.

Join us in Rome for this exciting conference as we explore groundbreaking advancements and future directions in biotechnology.

Abstract submission opens: December 1, 2025 | **Registration opens:** December 1, 2025
Early bird registration: December 10, 2025 | **On spot registration:** APRIL 16, 2026
