9TH ANNUAL CONFERENCE ON

BRAIN DISORDERS, NEUROLOGY AND THERAPEUTICS

MAY 29-31, 2023 | MADRID, SPAIN

https://braindisorders.pulsusconference.com/

INVITATION

BRAIN DISORDERS 2023

On behalf of the organizing committee, we are glad to announce and invite you to the international conference on Brain Disorder 2022 scheduled as a Hybrid Conference with the support of the eminent speakers at the past series. The conference brain disorder was officially entitled 9th Annual Conference on Brain Disorders, Neurology and Therapeutics from May 21-23, 2023 in Madrid, Spain.

Here, we plan to organize this conference with the theme of Emerging Challenges and advancements in Brain Disorders. And we have an innovative & interesting program planned for this year conference that will provide participants a chance to reflect on and share their knowledge with the other speakers. It will create widened networks, collaboratively explore present and potential future research directions. We hope that it will create an excellent informative and knowledge-gaining session for our participants.

Building on the successful completion of the conference in 2022, we intend to gather the healthcare professionals from the arena of medical neurologist, Neurology nurses, Neurology social workers, Healthcare Professors, PhD Students, Business delegates, and Pharma Industries.

The program was already designed for excellent networking opportunities and it will be helpful to create an interactive session. And we anticipate that the prominence of different nations will help this conference keep on a look that is even more appropriate for the Excellent Meeting of Brain Disorders in the year 2023.

I hope you will use this opportunity to attend this thought-provoking conference via Virtual Platform!

Regards
Ruby Dylan | Program Manager
Brain Disorders 2023

CONFERENCE HIGHLIGHTS

- Neurological Disorders & Stroke
- Brain Injury
- Amyloid and Tau Protein
- Demyelinating disease
- Spine Disorders
- Rehabilitation post-trauma
- Pediatric Neurology
- Cognitive Neuropsychiatry
- Neurodegeneration & Aging Disorders
- Brain Tumors
- Down syndrome
- Epilepsy
- Multiple sclerosis
- Alzheimers disease
- Neuro-oncology
- Neuropsychology
- Behavioral Sciences
- Mental disorder / Mental illness
- Anxiety disorders & Depression
- Inflammatory Neurologic Diseases
- Addiction & Therapeutics
- Ethics in Neurology and Legal Issues

ABOUT US

Pulsus Group is an internationally renowned peer-review publisher in scientific, technical, and medical journals established in the year 1984 with offices in Ontario, Canada and Hyderabad, India has acquired Andrew John Publishing and openaccessjournals.com to expand its Open Access Publishing through its 50+ journals in association with 20+ International medical and scientific societies.

Pulsus through its cmesociety.com is been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international CME/CPD accredited conferences and meetings.

Pulsus Group is a Medical publisher that adheres to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. Pulsus Group takes pride in getting the endorsements of prestigious associations and societies like Canadian medical societies. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.Pulsus group is closely associated with globally renowned academic and research societies like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand.

MARKET ANALYSIS

In the period 2021 to 2028, the Dementia market is expected to increase. The global dementia disease market has been divided into five major regions: Europe (the U.K, Germany, Italy, Spain, France, and the Rest of Europe) North America (the U.S. and Canada), Asia Pacific (Japan, India, Australia, China & New Zealand, and Rest of Asia Pacific), Latin America (Mexico, Brazil, and Rest of Latin America), and Middle East & Africa (South GCC Countries, Africa, and Rest of the Middle East & Africa). In 2014, an estimated 5.0 million persons over the age of 65 had dementia, with the number expected to rise to over 14 million by 2060.

TARGET AUDIENCE

- Academic Scientists
- Neuro-oncologist
- Neurologist
- Physiatrist
- Rehabilitation therapist
- Physician
- Professor's
- Researchers
- Intellectuals
- Students
- Research scholars

WHO SHOULD ATTEND

- Intellectuals CEOs, directors of organizations
- Medical Colleges & Universities Facuilty
- Associations & Societies
- Researchers and Faculty Members
- Business Delegates
- Students and Research Scholars
- Scientists and Professors
- Students, Interns and Residents
- Directors/Managers/CEO's

WHY TO ATTEND

Brain Disorders 2023 is a unique forum to bring together worldwide distinguished academics in the field of neuroscience and neurology, Brain researchers, public health professionals, scientists, academic scientists, industry researchers, scholars to exchange about state-of-the-art research and technologies.

The aim of this conference is to stimulate new ideas for treatment that will be beneficial across the spectrum of Brain Disorders and Engage with phenomenal scholars across the world.

The sessions of Brain Disorders Conference set a highly advanced, innovative and valuable contribution to our medical professions at all who work in contact with brain diseases and neurological disorders on a daily basis.

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

ABOUT VENUE

Spain's capital, Madrid, holds the dual honor of being both Spain's capital and its largest city. It is situated on the Manzanares River, which flows through the nation's geographic center.

Madrid is renowned for its ancient structures, street markets, and royalty. Additionally, it is renowned for its galleries of modern and contemporary art, clear skies, distinctive districts, and vibrant nightlife. The best time to pack your bags and travel to Madrid for a springtime vacation is in May. May is a very warm month in Madrid because summer is just around the corner. Summer is almost approaching, and Madrid is humming with bustle. Locals crowd the terraces and plazas as they sip beverages al fresco in the bright, sunny weather. This month also features some unusual occasions and celebrations that vary from contentious to pure good times.

Madrid is a joyful and vibrant city. Upon arrival, you'll undoubtedly want to return.

Abstract submission opens: November 03, 2022 | **Registration opens:** November 03, 2022
Early bird registration: December 31, 2022 | **On spot registration:** May 29, 2023
