ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

The Breast Cancer drug market is estimated to exceed US \$ 25.5 billion in 2021 and reach approximately US \$ 8 billion between 2022 and 2028. The increased incidence of breast cancer is one of the major drivers of growth across the market. According to the International Agency for Research on Cancer (WHO), the incidence of Breast cancer in 2020 will be 2,261,419, accounting for about 11.7% of all cancer cases worldwide.

TARGET AUDIENCE

- Academicians
- Scientists
- Oncology Research Institutes
- Young Research Forum

WHO SHOULD ATTEND

- Academicians
- Students
- Researchers
- Scientists
- radiologists
- Breast cancer
- Health Care Professionals

CONFERENCE OPPORTUNITIES

For Researchers and Faculty Members:
