Invitation

Breast Cancer 2022 PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Paris is all set for an amazing event as PULSUS proudly presents the “7th International Conference on Breast cancer and Womens health” slated on April 15-16, 2022 at Paris, France.

Breast Cancer 2022, a global gathering of the world's leading diabetologists and endocrinologists, takes immense pleasure in welcoming all the participants from across the globe to attend “7th International Conference on Breast cancer and Womens health” scheduled on April 15-16, 2022 at Paris, France. The aim and objective of the conference is to discuss the exciting advancement in the treatments in the field of Breast cancer by the global gathering and meeting of people from various diversities to share the knowledge by paper presentations, poster presentation and by the delivery of speech & lectures or as a Delegate in the research forum. The ultimate aim is to discuss about the Awareness and Treatments about the Breast cancer. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference

About PULSUS

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

Pulsus Group is a Medical publisher that adheres to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. Pulsus Group takes pride in getting the endorsements of prestigious associations and societies like Canadian medical societies. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine. Pulsus group is closely associated with globally renowned academic and research societies like Canadian Society of Plastic Surgeons | Canadian Society for Aesthetic Plastic Surgery | Grouper Advancement | a Microchemistry Canada | Canadian Society for Surgery of the Hand..

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Journal Of Breast Cancer

Journal Of Clinical Oncology

PARIS, FRANCE

Paris is the capital and most populous city of France, Paris has been one of Europe's major centres of finance, diplomacy, commerce, fashion, gastronomy, science, and arts. The City of Paris is the centre and seat of government of the region. Paris was the second most expensive city in the world. Paris has a major railway, highway, and air-transport hub served by two international airports. The WEF report considers factors such as environmental sustainability, hygiene and international openness and the country proves to be best in them all.

Paris occupies a central position in the rich agricultural region known as the Paris Basin, and it constitutes one of eight departments of the Île-de-France administrative region. It is by far the country's most important centre of commerce and culture. Area city, 41 square miles (105 square km); metropolitan area, 890 square miles (2,300 square km). Pop. (2012) city, 2,265,886; (2015 est.) urban agglomeration, 10,858,000.
