8TH INTERNATIONAL CONFERENCE ON

BREAST CANCER AND WOMENS HEALTH

DECEMBER 07-09, 2023 | MADRID, SPAIN

https://breastcancer-congress.pulsusconference.com/

INVITATION

BREAST CANCER 2023

Greetings,

We are pleased to announce the "**8th International Conference on Breast Cancer and Womens Health**" Scheduled on **December 07-09, 2023** in **Madrid, Spain**. The conference will be organized around the theme "**Explore New Discoveries in Breast Cancer: Health Promotion and Awareness**".

We are delighted to extend an appeal to you to undergo Breast Cancer 2023, which will maximize attendees and speakers during professional and social interactions that are just as important as the sessions themselves.

Our objective is to present an excellent program that covers the whole range of immunology research and breakthroughs, encourages top-level research, and focuses on the field's current exceptional accomplishments as well as future trends and requirements. The system's most current research and technology are discussed in detail.

The goal of Breast Cancer 2023 is to advance knowledge and fresh concepts among professionals, academics, and academics working in the disciplines of cancer research and treatment. In vibrant discussions throughout the program, participants will discuss their discoveries and interests. Together with the usual plenary, keynote, and oral abstract sessions, the program will also feature educational lectures, interactive workshops, and hands-on activities.

Welcome you all to the Breast Cancer and Womens Health!

Regards

Celena Christopher | Program Manager

Breast Cancer 2023

CONFERENCE HIGHLIGHTS

- Breast Cancer and Cell Biology
- Breast Disease
- Tumor
- Oncology
- Mastectomy
- Mammography
- Radiology
- Male Breast Cancer
- Breast pain
- Tamoxifen
- Breast Lump
- Breast Biopsy
- Breast Cancer Awareness
- Breast Cancer-Clinical Trials
- Triple Negative Breast Cancer
- Womens Health
- Mental health
- Gynecology
- Endometriosis
- Midwifery
- Reproductive health

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

The Breast Cancer drug market is estimated to exceed US $ 25.5 billion in 2021 and reach approximately US $ 8 billion between 2022 and 2028. The increased incidence of breast cancer is one of the major drivers of growth across the market. According to the International Agency for Research on Cancer (WHO), the incidence of Breast cancer in 2020 will be 2,261,419, accounting for about 11.7% of all cancer cases worldwide.

TARGET AUDIENCE

- Oncologists
- Researchers
- Professors
- Directors
- Pediatric Oncologists
- Scientists
- Exhibitors
- Young Researchers
- Cancer Institutes
- Medical Institutes
- Chemotherapists
- Pharmacists

WHO SHOULD ATTEND

ABOUT VENUE

Madrid is the capital city of Spain and has a lot to offer in terms of culture, history, art, cuisine, and entertainment. Some of the top attractions in Madrid include:

The Prado Museum: One of the world's most important art museums, featuring works by Spanish and international artists from the 12th to the 19th centuries.

Royal Palace of Madrid: A magnificent palace that served as the official residence of the Spanish Royal Family until 1931.

Retiro Park: A large public park filled with gardens, sculptures, and fountains, and a popular spot for picnics, boating, and relaxing.

Plaza Mayor: A picturesque square in the heart of Madrid, surrounded by historic buildings and lined with restaurants, cafes, and shops.

Puerta del Sol: One of the most famous landmarks in Madrid, this square is the center of the city and home to the famous clock tower and statue of the Bear and the Strawberry Tree.

Gran Via: A bustling street known for its iconic buildings, shops, theaters, and nightlife.

Santiago Bernabeu Stadium: The home of Real Madrid football club and one of the most famous stadiums in the world.

Mercado de San Miguel: A historic food market with a wide variety of stalls selling traditional Spanish food and drinks.

Thyssen-Bornemisza Museum: A museum with a vast collection of art from the 13th to the 20th century, including works by famous artists such as Van Gogh, Monet, and Picasso.

El Rastro Market: A bustling open-air market that takes place every Sunday, selling a range of goods including antiques, clothing, and souvenirs.

Abstract submission opens: July 01 - 2023 | **Registration opens:** July 01-2023
Early bird registration: August 20 - 2023 | **On spot registration:** December 06-2023
