PULSUS
WWW.PULSUSCONFERENCE.COM

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Dublin is all set for an amazing event as PULSUS proudly presents the "4th World Congress on Breast Cancer & Womens Health" slated on July 01-02, 2020 at Paris, France.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Breast Cancer professionals from around the world to participate in the upcoming Breast Cancer 2020. The meeting for this year will revolve around the theme "**An insight research for the better Women Healthcare**" thus relaying the most cutting edge findings in the field of Breast Cancer. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

About PULSUS

PULSUS
WWW.PULSUSCONFERENCE.COM

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Visa process

PULSUS
WWW.PULSUSCONFERENCE.COM

If you're wondering how to process a European visa??? We are here to help! Schengen refers to the EU passport-free zone that covers most of the European countries. To make the visa process much easier, the invitation letter or contact information provided from our organisation will eventually be helpful for the process.

About City and Venue

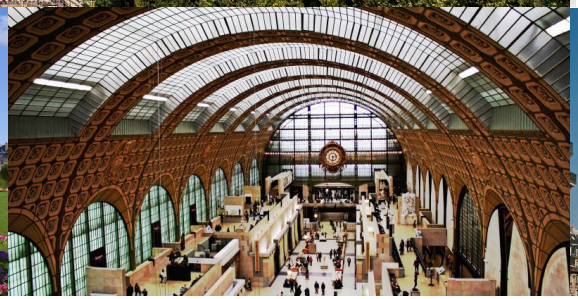

PULSUS
WWW.PULSUSCONFERENCE.COM

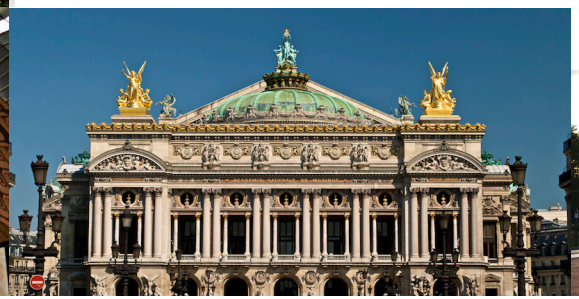

Paris is a varied and bustling destination that is constantly evolving to give visitors new and exciting experiences whether they are visiting for the first time, or whether they love to come back again and again. Its world-famous sites and monuments, museums and galleries are always alive with special events and exhibitions that reflect the creativity that is at work every day in this cultural hot spot. On top of all this Paris offers visitors night life, shopping and restaurant experiences that are second to none to ensure an unforgettable stay.

Paris, often referred to as the city of light, is one of the most magical cities in the world! Paris oozes charm like nowhere else with its stunning and varied architecture, beautiful parks, street cafés, riverside book sellers, art deco Metro stations, the Mona Lisa and plenty of boutique shopping; Paris really does have something for everyone. Breast Cancer 2020 welcomes you all to join with us at Paris, France.
