Tourist Attractions

Venue

Singapore is the largest port in Southeast Asia and one of the busiest in the world. It owes its growth and prosperity to its focal position at the southern extremity of the Malay Peninsula, where it dominates the Strait of Malacca, which connects the Indian Ocean to the South China Sea. Once a British colony and now a member of the Commonwealth, Singapore first joined the Federation of Malaysia on its formation in 1963 but seceded to become an independent state on August 9, 1965.

Singapore is a popular destination amongst tourists, especially from India. Tourism in Singapore offers variety of sightseeing and entertainment options. The wide range of Singapore tourism packages provided by MakeMyTrip allows the traveller to explore various Singapore tourist places in comfort.

Activities to do in Singapore hems in soaking in the beauty of Gardens by the Bay, Universal Studios, Jurong Bird Park, Merlin Park and several places which will make your experience free from regrets. Is your soul craving for an exciting adventure? Try Scuba diving and snorkeling which will give you a chance to intermingle with the underwater world. Here you can also enjoy Fishing, Freediving, Kayaking, Sailing, Boating, Canoeing, and several other activities which are just perfect for an exciting yet memorable vacation. Hitting out the city with your partner? Try the dinner cruise at Sentosa which is just a splendid option or you can also take a walk hand-in-hand with your beloved at the beaches in Singapore.
