About City and Venue

Vienna is the smallest in area but the largest in population. Vienna has more museums and galleries of international reputation than you can shake a stick at: Kunsthistorischen Museum with the world's largest collection of Bruegel paintings, MuseumsQuartier with the Leopold Museum (Schiele), Museum Moderner Kunst (Museum of recent Art), Architekturzentrum (Architectural Centre) and Kunsthalle rank among the city's most important cultural venues. The Albertina is home to the world's largest collection of graphic arts and prints (60,000 drawings, 1 million prints).

Vienna owes much of its international fame to the various celebrated composer who lived and worked here including Strauß, Mozart, Beethoven and Haydn. The Vienna Philharmonic Orchestra is one among the world's best, the Staatsoper one among the world's leading opera houses, and therefore the Vienna Boys' Choir one the world's most famous.

Vienna has established itself as an excellent musical metropolis. In Vienna, traditional coffee houses, rustic wine taverns, and therefore the beloved sausage stand (Wuerstelstand) exist alongside top restaurants and shops. Time-honoured events alternate with internationally-acclaimed extravaganzas (Life Ball) to make a singular and really special ambiance. Another special feature of Vienna is its many green spaces and recreational areas like the Wienerwald, the Prater, and therefore the Donauinsel.
