About City and Venue

PULSUS

Dubai is one of the seven emirates that make up the United Arab Emirates. It is located on the Eastern coast of the Arabian Peninsula, in the south west corner of the Arabian Gulf. It is extremely well known for its warm hospitality and rich cultural heritage. It is rather like an independent city-state and is the most modern and progressive emirate in the UAE, developing at an unbelievable pace in the tourist and trade sectors especially. Recently Dubai won the bid to host EXPO 2020, a Universal scale Registered Exposition approved by the Bureau of International Expositions (BIE), Paris. Dubai makes a great short break for shopping, partying, sunbathing, fine dining, sporting events, and even a few sinful pleasures. It is a city of superlatives: for the fastest, biggest, tallest, largest and highest, Dubai is the destination. It has the largest immigrant population in the world. Courtesy and hospitality are among the most highly prized of virtues in the Arab world. The Government cares about the health and safety of its citizens, residents and visitors, with Dubai Health Authority (DHA) tasked with ensuring the provision of world-class health services.
