35
Years Excellence

# ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for Scientists and Researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between Universities, Institutions, research bodies and Organizations from different countries through International Conferences and Meetings.

Pulsus Group is an International Renowned Medical peer-review publisher and conference organizer established in the year 1984 publishes and hosts the work of Researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of more than 35 years of excellence in Medical Publishing we are endorsed by various societies like World Association of Medical Sciences, International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, International Society for Ceramics in Medicine, Thalassemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

# MARKET ANALYSIS

Cosmetology is a process that enhances or alters a portion of an individual's body, or, face through incision. Cosmetic surgeries include reconstruction or reshaping of body parts, altering facial structure (maxillofacial), altering structure of jaw (craniofacial), etc. People from urban areas constitute the largest patient base for cosmetic surgeries due to increased aesthetic appeal.

## ABOUT VENUE

Dubai is that the capital of the Emirate of city and therefore the most inhabited town within the United Arab Emirates (UAE). City evolved quickly within the early 21st century from a modest fishing town to a cosmopolitan metropolis with a amount on business and cordial reception. City is one among the foremost notable toured destinations within the world. This is often because of Dubai's distinctive mix of international manner and native culture. City additionally has the world's second-largest variety of five-star hotels and therefore the world's tallest building, the Burj Khalifa. the upper Creek Tower is being developed to stay that title because of incoming competition and different factors.

Dubai, situated on the shore of the Persian Gulf within the Japanese section of the Arabia, aspires to be the business capital of Western Asia. It's additionally a vital international traveller and merchandise transportation hub. Oil revenue power-assisted the city's development, that was already a outstanding mercantile centre. Dubai's economy is predicated on earnings from trade, tourism, aviation, assets, and monetary services, and has been since the first twentieth century. In 2018, boring accounted for fewer than I Chronicles of the emirate's GDP. The population of the town is calculable to be over a pair of.9 million folks.
