*"Theme: Discovering Technological Advancements in
Data Science and Machine Learning"*

7th GLOBAL CONFERENCE ON DATA SCIENCE AND MACHINE LEARNING

DECEMBER 05-06, 2022 | DUBAI, UAE

<https://datascience.pulsusconference.com/>

INVITATION

DATA SCIENCE 2022

Data Science 2022, has been intended to benefit students, professors, exhibitors, tech professionals, scientists, data analysts, and entrepreneurs from all around the world. The Data Science 2022 conference will provide an opportunity to debate the most recent advancements in data science, computer security, data analytics, computer networking, machine learning, cloud computing, and other fields.

Data Science 2022 will attract a large number of delegates from all across the world. We ask that each of you take an active role in the event and contribute to making it a huge success.

We anticipate your enthusiastic participation in Data Science 2022.

The Data Science Conference 2022 will bring together researchers, analysts, academics, and others from diverse domains of data science and machine learning to address issues including machine learning and artificial intelligence, data structures and algorithms, bioinformatics, and scientific computing.

The Data Science Conference 2022 will feature a keynote forum, workshops, plenary sessions, a young research forum, poster presentations, and panel discussions.

Mode of participation: speaker, delegate, exhibitor, sponsor.

The Data Science 2022 conference will be held on the 5th and 6th of December 2022. We humbly suggest that every one of you come to our event and help it succeed.

Regards

Rebecca Parrilla | Data Science 2022
Organizing Committee

CONFERENCE HIGHLIGHTS

- Machine Learning
- Deep Learning
- Robotics in Data sciences
- Big Data
- Neural Network
- Data Science and Coding
- Data Visualization and Presentation
- Computer Vision
- Algorithm of Data Science
- Artificial Intelligence
- Information Technology
- Information Science
- Natural Language Processing
- Data Warehousing and Cyber Security
- Datamining and Statistical Analysis
- Cloud Computing
- Scientific Computing

Years Excellence

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.v

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

During the projection period, the Data Science Platform market is expected to increase from USD 95.3 billion in 2021 to USD 322.9 billion in 2026, with a Compound Annual Growth Rate (CAGR) of 27.7%. The Data Science Platform industry is driven by the astounding growth of big data, but also by the rising adoption of cloud-based solutions, the growing use of data science platforms in various industries, and the growing need to extract in-depth insights from voluminous data to gain a competitive advantage.

TARGET AUDIENCE

- Data Scientists
- Data Engineers
- Data Analysts
- Business Strategist's
- Software Developers
- Technical Leads
- Researchers
- Students
- Professors
- Consultants
- Entrepreneurs
- IT Managers
- Business Analysts

WHO SHOULD ATTEND

- Chief Information Officers
- Chief Data Officers,
- Database Administrators
- Application Developers
- Industry leaders
- technical experts
- Data Architects
- Head Data Scientists
- Head Researchers
- CEOs, CTOS, CIOs

WHY TO ATTEND

Data science and machine learning provide an opportunity to network with people in the field and learn about the newest technology and applications. It's an opportunity to learn from academics with years of expertise, experimenters, and scientists. Attending this conference will oblige you to broaden your knowledge, solve difficulties, and showcase your plans and experimentation work to others.

It's a wonderful opportunity to meet the hosts and other participants. Directly address the target group and discuss their points of view.

Expanded global reach

<https://datascience.pulsusconference.com/registration>

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR \$10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR \$75000

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR \$5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

**BRONZE
SPONSOR
\$3500**

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

**EXHIBITION
SPONSOR
\$2500**

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

ABOUT VENUE

Dubai is the United Arab Emirates' second-largest emirate (UAE). It has established itself as one of the most prominent worldwide corporate centers and regional hubs in the world. On the emirate's northern shore, Dubai is the capital of the Dubai-Sharjah-Ajman metropolitan area. The emirate of Dubai is bordered by Abu Dhabi in the south, Sharjah in the northeast, and the Sultanate of Oman in the southeast. As a result of a number of large-scale construction projects and sporting events, it has recently gained international attention. This cosmopolitan city is a famous tourist destination, recognized for both its rich traditions and modern recognizable landmarks such as the world's tallest tower, the Burj Khalifa. In 2012, Dubai was the world's 22nd most expensive city and the most expensive city in the Middle East. In 2013, Mercer, a global consulting firm based in the United States, named Dubai the greatest place to live in the Middle East.

Burj Al Arab become iconic symbols of the emirate, The Burj Al Arab standing at 321 m (1,050 ft), is the second tallest building in the world used exclusively as a hotel. It has become a symbol of Dubai designed architecturally to caricature the sail of a boat. The hotel's many breathtaking restaurants and expensive suites make it suitable of its label, "The world's only seven-star property".

The United Arab Emirates has highlighted seven major critical areas. Transportation, renewable energy, education, health, technology, water resources, and space exploration are among them. This research emphasis helps to realise the UAE 2021 goal, in which innovation, research, science, and technology serve as the foundation for a productive and competitive knowledge-based economy.

Abstract submission opens: June 01, 2022 | **Registration opens:** June 01, 2022
Early bird registration: August 15, 2022 | **On spot registration:** December 05, 2022
