10th WORLD CONGRESS ON

DENTISTRY AND MAXILLOFACIAL SURGERY

April 27-28, 2026 | Dublin, Ireland

https://dentistry.pulsusconference.com/

INVITATION

DENTAL CONFERENCE 2025

Dear Esteemed Colleagues, It is with great pleasure that we welcome you to 10th World Congress on Dentistry and Maxillofacial Surgery,
a premier international gathering dedicated to advancing the art and science of dentistry and maxillofacial surgery. This congress offers a unique platform to explore the latest breakthroughs in clinical techniques, digital
dentistry, biomaterials, and practice innovations. Engage in thought-provoking discussions, gain insights from renowned experts, and connect with like-minded professionals from across the globe.

Expect a dynamic program filled with cutting-edge research, interactive workshops, and inspiring keynote sessions designed to enhance your expertise and expand your professional network. Join us in London for an enriching experience that will empower you with new knowledge, skills, and collaborations to drive the future of dental care forward.
We look forward to welcoming you!

Warm Regards,
Sophia Wilson

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

ByMaterial (Metal Ceramic, Ceramic (Zirconia, Glass Ceramic), Equipment (Milling Equipment, Scanner, Furnace), Application (Bridges, Crown (Porcelain Fused to Metal, CAD CAM Ceramics), and Dentures) - Netherlands Dental Lab Market, Industry Trends and Forecast to 2029. Dental labs contain a range of instruments that help treat patients' dental issues, including dental prostheses, fixed or removable dentures, crowns, bridges, orthodontic appliances, stools, chairs, and dental restorations, as well as equipment including lasers, radiography, and software. Dental laboratories form dental prosthetics or other objects, enabling patients to obtain the right therapy. An impression or digital scan of the patient's teeth is taken by a dentist at the clinic to create the products. Since every instrument or technology used in these professions depends on the therapy, According to Data Bridge Market Research, the dental lab market, which was worth USD 42.36 billion in 2021, is projected to soar to USD 71.70 billion by 2029 and have a CAGR of 6.80% from 2022 to 2029. The market report created by the Data Bridge Market Research team includes in-depth expert analysis, patient epidemiology, pipeline analysis, pricing analysis, and regulatory framework in addition to market insights like market value, growth rate, market segments, geographic coverage, market players, and market scenario. Dental labs contain a range of instruments that help treat patients' dental issues, including dental prostheses, fixed or removable dentures, crowns, bridges, orthodontic appliances, stools, chairs, and dental restorations, as well as equipment including lasers, radiography, and software.
