Invitation

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Melbourne, Australia is all set for an amazing event as PULSUS proudly presents the " Annual Dentistry and Dental Sciences Congress" slated on November 19-20, 2018 at Sydney, Australia.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Dentistry from around the world to participate in the upcoming Dentistry 2018. The meeting for this year will revolve around the theme "Exploring the Recent Variations in Dentistry and Oral Health Care" thus relaying the most cutting edge findings in the field of Dentistry Research. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It also proves to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

About PULSUS

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

PULSUS conferences act as a catalyst on the research trends that really matter and spurring their adoption by exploring and disseminating cutting-edge information. Thus, mainly adhere to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.

Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Dentistry 2018 Conference highlights the theme "Exploring the Recent Variations in Dentistry and Oral Health Care". Dentistry 2018 is an event intended to provide an exclusive platform for new researchers, scholars, Dentists, surgeons, physicians, students and educators to show case their novel ideas and discuss the most recent innovations, trends and key concerns adopted in the field of Dentistry. The two days of educational program will include keynote presentations, oral presentations, and poster presenters on the advanced techniques as well as papers in all the fields of nursing in health care. Dentistry 2018 Conference aims to explore advances in dental practice, management and education in relation to health disparities as well as a breadth of other topics. Dentistry 2018 will provide an opportunity for dental practitioners and educators to exchange research evidence, models of best practice and innovative ideas.

Target Audience

- Researchers
- Dentists
- Physicians
- Student
- Scholars
- Oral Surgeons
- Dental Hygienists
- Dental Practitioners
- Cosmetic surgeons
- Exhibitors
- Dental nurses

Why to attend?

- Dental World 2018 aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Dentistry Oral Health. It also provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Dentistry Oral Health.
- It can really help you to have that expert authority in your field of specialization compared to your peers. This will give you a chance to broaden your knowledge on dental specializations which can give you a chance speak on dental events or write publications. Most patients always like to deal with dentists who have an authority on their fields of specialization
- All submitted conference papers will be peer reviewed by competent reviewers. The post conference proceedings will be abstracted and indexed in the International Journal of Dentistry. The conference abstracts and proceedings book and certificate of presentation will be distributed to participants at the conference registration desk.
