About Pulsus

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity. PULSUS conferences act as a catalyst on the research trends that really matter and spurring their adoption by exploring and disseminating cutting-edge information. Thus, mainly adhere to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. As an ardent supporter of medical publishing, Pulsus Group closely associates with the The American Society for Microbiology (ASM), The Australasian Society for Infectious Diseases, The Infectious Diseases Society of America (IDSA), The Hong Kong Society For Infectious Diseases (HKSID), World association for infectious diseases and immunological disorders, Association of Medical Microbiology and Infectious Disease Canada, Japanese society for bacteriology. Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve

Past Conference Report

Dentistry conference is conducted annually. The recent two previous conferences are held on March 02-03, 2020 Edinburgh, Scotland (28th Euro Dentistry Congress) and Webinar on March 25 - 26, 2021 (29th Euro Dentistry Congress). Once again we are delighted to welcome all the researchers to share their experiences and ideas through talks and presentations from diverse fields in advanced dental health. This event provides an international platform in bringing together a forum for eminent researchers, students, postdocs, and business entrepreneurs to exchange their ideas and contributing an integrative approach to the diversified fields.

Dentistry 2021 witness a good no. of attendees coming from various parts of the globe and sharing their works, thoughts about the current scenario in Dentistry and Oral Hygiene. Deep insights and trends in Dentistry and Oral Healthcare were discussed among the audience and it paved way for answering many untold questions for the participants and helped them gain vital knowledge in Dental Science. The meeting also provides an opportunity to highlight the recent developments besides identifying emerging future areas of growth.
