8TH GLOBAL CONFERENCE ON DERMATOLOGY RESEARCH

JUNE 11-12, 2026 | PARIS, FRANCE

INVITATION

Cosmetology 2026

Welcome to

The 8th International Conference on Dermatology Research invites the global dermatology community to come together on June 11-12, 2026, in Paris, France, with a hybrid format that connects experts and participants worldwide.

Guided by the theme “Redefining Skin Science: Innovation, Precision & Global Excellence,” this conference is designed as a collaborative space where scientific curiosity meets clinical expertise. Over two inspiring days, dermatologists, researchers, clinicians, industry leaders, and academicians will explore new research directions, technological advancements, and evidence-based practices shaping modern dermatology.

Paris is a vibrant global city celebrated for its iconic architecture, rich history, and timeless elegance. Landmarks such as the Eiffel Tower, Louvre Museum, and the scenic Seine River make it one of the world's most captivating destinations. Blending artistic heritage with modern sophistication, Paris offers visitors an inspiring and unforgettable experience.

Culture & Etiquette

Paris presents a harmonious blend of historic tradition and contemporary lifestyle. Visitors are encouraged to respect local customs and etiquette, particularly in cultural and religious sites. French is the official language; however, English is widely spoken in hotels, restaurants, and major tourist areas, ensuring convenient communication for international guests.

Visa & Travel Assistance

Participants requiring a visa to enter France are advised to initiate their application process well in advance.
