PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders or rub elbows with pioneers across the globe. PULSUS proudly presents the webinar on "**6th International Conference on Drug Delivery and Formulations**" scheduled on **March 07-08, 2022** at **Edinburgh, Scotland**.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Pharmaceutical Industry and Formulations from around the world to participate in the upcoming Drug Delivery 2022. The meeting for this year will revolve around the theme "Exploring Latest Innovations in Drug Delivery" thus relaying the most cutting-edge findings in the field of Pharmaceuticals. The two-day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

Edinburgh is Scotland's second most populous city and the seventh most populous in the United Kingdom. It lies at the heart of the Edinburgh and South East Scotland city region comprising East Lothian, Edinburgh, Fife, Midlothian, Scottish Borders and West Lothian. It is a city like no other. A capital city where old meets new in a seamless blend of architectural splendour, romance and inspirational history. A connected city with a global outlook, Scotland's capital is a must visit destination for visitors from all over the world.

It is the second largest financial centre in the United Kingdom. The city has long been a centre of education, particularly in the fields of medicine.

The city is also famous for the Edinburgh International Festival and the Fringe, the latter being the world's largest annual international arts festival.

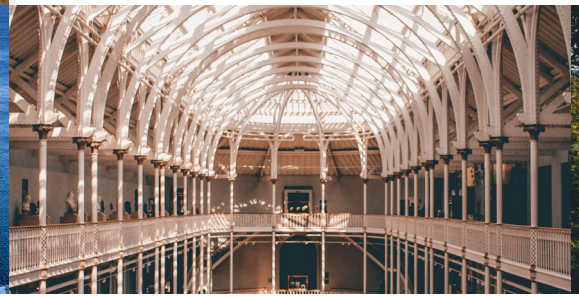

It is a renowned centre of excellence in sectors like life sciences, energy, technology, education, finance and the creative industries.

Edinburgh's famed year-round festivals programme helps to attract more than 4m visitors each year, and collectively they make a huge contribution to the quality of life, international reputation and economic vitality of Edinburgh and Scotland.

Edinburgh's reputation as a 'must visit' city means it has among highest levels of hotel occupancy and RevPAR figures in Europe. International hotel brands continue to invest in the city, growing portfolios or enhancing their existing offer
