INTERNATIONAL CONFERENCE ON

EURO DENTISTRY

NOVEMBER 27-29, 2023 | DUBAI, UAE

https://eurodentistry.cmesociety.com/

INVITATION

EURO DENTISTRY 2023

It's our pleasure to welcome you all to the 5th International Conference on Euro Dentistry 2023, which is going to be held on November 27-29, 2023, in Dubai City, UAE. This conference is an opportunity for us to come together as a community, learn from one another, and engage in thoughtful discussions about the latest trends and advancements in dental research, technology, and practice.

"Theme: Recent Advancements In Euro Dentistry"

At this Euro Dentistry 2023 Conference, we will hear from distinguished speakers and presenters who will share their experiences in various areas of dentistry, from clinical procedures to innovative treatments and preventive measures. We will also have the opportunity to participate in engaging workshops, network with colleagues, and exchange ideas and best practices.

In this exciting and informative Euro Dentistry conference, let us embrace the opportunity to deepen our knowledge and strengthen our commitment to delivering high-quality dental care to our patients. We wish you all a productive and rewarding experience at the Euro Dentistry Conference.

I believe that the Euro Dentistry 2023 conference will provide an excellent chance for us to learn from one another, exchange ideas, and collaborate on ways to enhance the practice of dentistry. I am confident that the knowledge and insights we gain from this event will enable us to better serve our patients and contribute to the advancement of our profession.

Regards,
Ruth Cecilia | Program Manager

MARKET ANALYSIS

The size of the Euro Dentistry Market is estimated to be around 6.81 billion USD in 2022 and 10.18 billion USD in 2030, representing a CAGR of 5.14 percent over the forecast period. After Brexit, the NHS will be the main provider of dental care in the UK, and other states in the European Union will have a mix of public and private healthcare providers to help with this. Dental care needs are expected to change significantly in the coming years due to the demands of Europe's aging population and the rising rate of Middle Eastern migration brought on by the acceptance of refugees.
