Invitation

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Edinburgh is all set for an amazing event as PULSUS proudly presents the "**European Congress on Immunology**" slated on **March 04-05, 2020** at **Edinburgh, Scotland**.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Euro Immunology professionals from around the world to participate in the upcoming Euro Immunology 2020. The meeting for this year will revolve around the theme "**Foster the natural assets of Immunology**" thus relaying the most cutting edge findings in the field of Euro Immunology. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

Regards

Euro Immunology 2020

Organizing Committee

Conference Highlights

- Immunology
- Inflammation & Allergy
- Immunohistochemistry
- Reproductive Immunology
- Pulmonary Immunology
- Neonatal Immunology
- Tumour Immunology
- Immunotoxicology
- Wild Immunology
- Cardiovascular Immunology
- Osteo Immunology
- Immunohematology
- Computational Immunology
- Eco Immunology
- Innate Immunology
- Adaptive Immunology
- Plant Immunology
- Vaccinology
- Immunomics
- Mucosal Immunology

Agenda

March 04,2020 - Wednesday

Time	Session
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
Group Photo	
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Immunology | Inflammation & Allergy| Immunohistochemistry
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Reproductive Immunology | Pulmonary Immunology | Neonatal Immunology| Tumour Immunology
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Tracks: Immunotoxicology | Wild Immunology| Cardiovascular Immunology

Tentative

March 05, 2020 - Thursday

Time	Session
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Osteo Immunology | Immunohematology| Computational Immunology
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Eco Immunology | Innate Immunity| Adaptive Immunity| Plant Immunology
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Vaccinology | Immunomics | Mucosal Immunology
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster Presentations
Day Concludes	

Conference Speakers

Title : Lecture versus self-directed methodologies in University students' learning
Bernat-Carles SerdÃ, University of Girona, Spain
Title: Effects of electrochemically activated water catholyte and anolyte on human health
Ignat Ignatov, Scientific Research Center of Medical Biophysics, Bulgaria
Title: Defining quality of life across the cancer continuum
Bernat-Carles SerdÃ, University of Girona, Spain
Title: Developing the Nurse role in paediatric forensic examinations across the UK
Lucy Love, Mountain Healthcare, UK
Title: Identifying environmental and lifestyle antagonists that stifle short-term healthy immune behavior while eventually reducing appropriate longterm immune function.
Steven Osterhout DC, Vitality Healthcare, USA
Title: Effect of inspiratory muscle training on clinical outcomes of patients undergoing cardiothoracic surgeries
Hend M Elazazey, King Saud Bin Abdulaziz University for Health sciences, KSA
Title: Methods of research in vivo research of therapeutical effect in hamsters with experimental myeloid tumour of Groffi
Christos Drossinakis, International Academy of Scientific Healing, Germany
Title: Parent, family and carer education and empowerment in reducing risks for neonatal mortality: Stretching the boundaries for neonatal units
Tilly Pillay, University of Wolverhampton, UK
Title: How do knowledge and understanding of sleep deprivation influence clinical decision making of intensive care nurses when managing sleep in critically ill patients?
Alison Hasselder, University of East Anglia, UK
Title: Training nursing staff: The secrets and soft skills
Mardoche Sidor, SWEET Institute, USA
Title: A small yet major initiative for the prevention and reduction of pressure ulcers in ICU setting of tertiary care Hospital
Anum Hakim Tejani, The Aga Khan University Hospital, Pakistan
Title: Three types of Artificial Intelligence (AI) to impact clinical research in the next 3 years
Olga Kubassova, Image Analysis Group, UK
Title: Determination of relation between mothers blood level lead with blood level of exclusively breast fed infants less than 6 months referred to Imam Reza Hospital
Ahmadshah Farhat, University of Medical Sciences, Iran

Title: Application of trans-theoretical model of change on foot care management among diabetic patients: prevention better than cure
Faiza A.Abou El-Soud Said Shahin, King Saud Bin Abdulaziz University for Health Sciences, KSA
Title: Physiognomical psychology and health
Lieselotte Eder, SRCMB, Bulgaria
Title: Rheumatic heart disease in North Darfur: An alarmingly high burden and control initiative
Nagwa Salih, Alfashir university, Sudan
Title: Nurse Practitioners: providing sustainable care across diverse rural populations in the USA
Michelle Boltz, Critical Access Hospital, USA
Title: Level of burnout in Nursing care professionals working in tertiary care centre
Vipin Koushal, Post Graduate Institute of Medical Education and Research, India
Title: Increasing the value of nursing service through leadership and mindset transformation
George Gomez Sacrias, London Bridge Hospital, UK
Title: Precision I/O clinical trial: leveraging technology to gain insight into treatment efficacy
Olga Kubassova, Image Analysis Group, UK
Title: Challenges faced by Undergraduate nurses while enrolling in master's program
Anum Hakim Tejani, The Aga Khan University Hospital, Pakistan
Title: The Patients' lived experiences of mechanical ventilation post cardiac surgeries
Azza Awed Alguindy, King Saud Bin Abdulaziz University for Health Sciences, KSA
Title: Nursing education program for asthmatic patients
Hamad Dailah, University of Salford, UK
Title: Cross sectional study to determine HIV, HBV, HCV prevalence in prison population in Tripoli, Libya
Nabil Abuamer, National Disease Center, Libya
Title: Effects of GM-CSF, IFN-γ and IL-4 on the function of monocytes/macrophages in a model of graft versus host disease
Deema K Sabir, University of Westminster, UK
Title: The effects of smoking on maternal and child health: literature review
Ervina-Anastasia Sela, National and Kapodistrian University of Athens, Greece

Tourist Attractions

Venue

Edinburgh is the capital city of Scotland. The city has long been a center of education, particularly in the fields of medicine, Scots law, literature, the sciences and engineering. It is the second largest financial center in the United Kingdom and the city's historical and cultural attractions have made it the United Kingdom's second most popular tourist destination, attracting over one million overseas visitors each year.

Edinburgh is Scotland's second most populous city and the seventh most populous in the United Kingdom. The city is the annual venue of the General Assembly of the Church of Scotland. It is home to national institutions such as the National Museum of Scotland, the National Library of Scotland and the Scottish National Gallery. The University of Edinburgh, founded in 1582 and now one of four in the city, is placed 18th in the QS World University Rankings for 2019. The city is also famous for the Edinburgh International Festival and the Fringe. Historic sites in Edinburgh include Edinburgh Castle, the Palace of Holyroodhouse, the churches of St. Giles, Greyfriars and the Canongate, and the extensive Georgian New Town, built in the 18th/19th centuries. Edinburgh's Old Town and New Town together are listed as a UNESCO World Heritage site.
