10th World Congress on

Surgery and Anaesthesia

April 20-21, 2026Dubai,|UAE

INVITATION

Surgery 2026

We are delighted to welcome you to the 10th World Congress on Surgery and Anaesthesia, taking place on April 20–21, 2026, in the vibrant city of Dubai, UAE. This global gathering brings together surgeons, anesthesiologists, pain specialists, and healthcare professionals from across the world to exchange knowledge, explore advancements, and strengthen collaborative efforts in patient care.

Guided by the theme "Innovations in Surgical Excellence and Anaesthesia Care: Advancing Safer Clinical Outcomes," the congress offers an inspiring platform for continuous learning and professional growth. Participants will benefit from expert-led sessions featuring real clinical cases, interactive panel discussions, hands-on demonstrations of emerging technologies, and opportunities to engage in meaningful dialogues with industry leaders.

Whether you join as a presenter, researcher, learner, or innovator, this congress provides a unique chance to enhance your skills, share your work, and build lasting connections within the global surgical and anaesthesia community.

We look forward to meeting you in Dubai and working together to shape the future of surgical care and anesthesia.

Welcome to an enriching and transformative experience!

Regards,

Organizing committee

MARKET ANALYSIS

The global anesthesia and pain management market is projected to reach USD 12.8 billion by 2028, growing at a 7.5% CAGR, driven by rising surgical procedures, increasing chronic pain cases, and rapid adoption of minimally invasive techniques. Advances in anesthesia delivery, monitoring systems, and pain-therapy innovations continue to strengthen market growth.

Regionally, North America is set to reach USD 4.2 billion by 2027 (8.2% CAGR), while Europe is expected to hit USD 3.5 billion (7.8% CAGR). The Asia-Pacific region shows the fastest expansion, reaching USD 3.1 billion with a 10.1% CAGR, supported by growing healthcare investments and rising surgery rates. Latin America and the Middle East & Africa are also experiencing steady improvement in pain management adoption.

These global trends underscore the importance of innovation and collaboration—core values of the 10th World Congress on Surgery and Anaesthesia, Dubai, UAE, where experts will exchange insights and explore the future of surgical and anesthesia care.
