INTERNATIONAL CONFERENCE ON

SPINE SURGERY AND SPINAL DISORDERS

MARCH 14-15, 2024 | LONDON, UK

https://eurospine.cmesociety.com/

INVITATION

SPINE SURGERY 2024

Greetings!

Greetings to all esteemed spine surgeons, medical professionals, researchers, and attendees,

We are delighted to extend a warm invitation to the **International Conference on Spine Surgery and Spinal Disorders**. The conference will be held in the vibrant city of **Dubai, UAE** from **March 14-15, 2024**.

Our goal for Spine Surgery 2024 is to bring together brilliant minds in the field of Spine Surgery and Spinal Disorders to share knowledge, ideas, and advancements.

We anticipate that this event will provide a platform for participants from around the world to gain insights into major developments in Spine Surgery, engage in discussions about prevalent patterns, share concerns, and address practical difficulties while working towards a consensus.

We are honored to host an expert panel of speakers who will share their profound knowledge and insights on a wide range of spine-related topics.

At Spine Surgery 2024, attendees can expect to engage in a diverse range of presentations, discussions, and workshops that aim to educate and inspire.

We strongly encourage all researchers, medical students, and individuals interested in spinal surgery and disorders to join us at this conference.

We eagerly await your presence in London for an enriching experience at Spine Surgery 2024 in March.

Best regards,

Organizing Committee,

Spine Surgery 2024

CONFERENCE HIGHLIGHTS

- Spine Surgery
- Spinal Trauma Care
- Spine Oncology Treatment
- Modern Spine Surgery
- Spine Surgery Devices and Equipment
- Endoscopic Spine Surgery
- Spinal Deformity
- Spinal Disorders in Athletes
- Biomechanics for Spine Surgery
- Thoracolumbar Surgery
- Cervical Surgery
- Pediatric Spine Surgery
- Orthopedic Surgery
- Osteoporosis and Osteoarthritis
- Neurological Complications in Spine Surgery
- Injections & Interventions of Spine
- Epidemiology in Spine Injury
- Diagnostics & Imaging of Spine
- Neuroprosthetics for Spinal Cord Injury
- Robotics & Ai in Spine Surgery
- Nursing and Wound Care for Spine Surgery
- Regenerative Medicine and Tissue Engineering in Spine Surgery
- Biomaterials for Spinal Implants
- Pain Management in Spinal Disorders
- Psychological Impact of Spinal Disorders

39

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

The field of spine surgery and spinal disorders has seen significant advancements, offering tailored treatments based on underlying causes. Spine Surgery 2024 conference aims to leverage these developments and address evolving industry and academic needs in spine care. With a growing global geriatric population and rising demand for improved spine care, the conference recognizes the importance of staying updated on market trends, economic shifts, and demographic factors impacting spine surgery's present and future. Considering the economic impact of spine disorders like depression and anxiety, costing the global economy billions annually, the global Spine Surgery Products Market is estimated to reach USD 19.36 Billion by 2030. Through collaboration, innovation, and creating opportunities, the conference seeks potential solutions to these global health challenges.

TARGET AUDIENCE

- Spine Surgeons
- Neurosurgeons
- Orthopedic Surgeons
- Neuroradiologists
- Neurointerventionalists
- Rehabilitation Specialists
- Geriatric Specialists
- Researchers in Spine Surgery
- General Practitioners
- Nurses specializing in spine care
- Medical Students

WHO SHOULD ATTEND

- Medical device manufacturers
- Hospital administrators and executives
- Insurance providers
- Rehabilitation specialists
- Biomechanics experts
- Physician Assistants
- Anesthesiologists
- Pharmaceutical Companies
- Emergency Medical Technicians (EMTs)
- Athletic Trainers
- Biomedical Engineers
- Occupational Therapists
- Orthopedic Technologists

WHY TO ATTEND

The Spine Surgery 2024 Conference offers a comprehensive program featuring oral presentations, poster sessions, seminars, and interactive sessions with renowned keynote speakers, all dedicated to advancing the field of spine surgery. The conference focuses on highlighting the latest and most innovative methods of treatment, with the goal of providing attendees with valuable insights and knowledge to take back to their respective practices. The curriculum covers a diverse range of research and advances in spine surgery, with an emphasis on sharing cross-cultural experiences and diverse treatment methods. Our mission is to promote excellence in the field of spine surgery by providing an outstanding educational experience for all attendees.

The event promises to attract a mix of academic and healthcare delegations, enabling valuable interaction among participants. With influential keynote speakers, 5+ workshops, and 15 interactive sessions based on evidence from 50+ faculty across 3 full days, this conference is an excellent opportunity for professionals to stay informed and connected in the field of spine surgery. Join us at Spine Surgery 2024 to be part of this enriching experience and contribute to the advancement of spine care worldwide.

ABOUT VENUE

London, the dynamic capital of the United Kingdom, seamlessly melds its deep-rooted history with contemporary allure, establishing itself as a premier global destination for travellers. Recognized for its iconic landmarks, diverse cultural offerings, and bustling urban energy, London provides an unmatched experience for tourists.

March in London marks the transition from winter to spring, as the city emerges from the grip of colder months. During this period, the weather can be variable, characterized by intermittent rain showers and a blend of mild and cooler days. March visitors are treated to the city's awakening, with vibrant flowers beginning to bloom in scenic locations such as Hyde Park and Kew Gardens.

London's magnetic appeal stems from its harmonious blend of historic treasures and modern marvels. From the timeless majesty of the Tower of London, an immersive journey through medieval architecture and the dazzling Crown Jewels, to the cutting-edge architectural wonders of the Shard and the Gherkin, the city presents a captivating interplay of past and present.

The city's diverse neighbourhoods further contribute to its allure. Explorers can immerse themselves in the artistic and bohemian ambiance of Shoreditch, indulge in culinary delights at Borough Market, or enjoy a leisurely riverside stroll past iconic landmarks like the Houses of Parliament and the London Eye.

London also shines as a cultural epicentre, boasting an array of world-renowned museums and galleries. History enthusiasts will find the British Museum, with its expansive collection spanning eras and civilizations, a captivating treasure trove. Meanwhile, art aficionados can delight in the masterpieces exhibited at the Tate Modern and the National Gallery. Discover London's seamless blend of tradition and innovation, where every corner reveals a captivating story, and a vibrant experience awaits.
