2ND INTERNATIONAL CONFERENCE ON

SPINE SURGERY AND SPINAL DISORDERS

DECEMBER 05-06, 2024 | DUBAI, UAE

https://eurospine.cmesociety.com/

INVITATION

EUROSPINE 2024

Eurospine 2024 is set to bring together leading surgeons will discuss common spinal disorders, innovative treatment options, and the latest advancements in surgical techniques.with the theme of "Advancing Spine Care: Innovations for Improved Outcomes"This is a great opportunity to ask questions and gain valuable insights for better spinal health.This event provides a unique opportunity for delegates from academic institutions, healthcare organizations, and the imaging industry to engage with top experts, exchange insights, and discuss future trends

The confernce will feature:

. keynote speeches from renowned experts in spine surgery

.plenary sessions focusing on invasive techniques, pain management, and rehabilitation strategies

oral and poster presentations highlighting recent research and clinical advancements.

Be sure to join us for this transformative gathering. Register now to confirm your participation and take advantage of our early bird discounts.

Best Regards,
Flavia Cyra | Program Manager
Organizing Committee | Eurospine 2024

CONFERENCE HIGHLIGHTS

- Spine surgery
- Spinal Trauma Care
- Spine oncology treatment
- Modern Spine Surgery
- Spine surgery devices and equipment
- Endoscopic spine surgery
- Spinal deformity
- Spinal disorders in athletes
- Biomechanics for spine surgery
- Thoracolumbar surgery
- Cervical surgery
- Pediatric spine surgery
- Orthopedic surgery
- Osteoporosis and osteoarthritis
- Neurological complications in spine surgery
- Injections and interventions of spine
- Case reports of spine surgery
- Epidemiology in spine injury
- Diagnostics and imaging of spine
- Neuroprosthetics for Spinal Cord Injury
- Robotics and Ai in spine surgery
- Nursing and wound care for spine surgery
- Regenerative medicine and tissue engineering in spine surgery
- Biomaterials for spinal implants
- Pain management in spinal disorders
- Psychological impact of spinal disorders

Years Excellence

ABOUT US

Pulsus Group is a prominent medical publisher that emphasizes high standards in research and peer review, setting a benchmark for integrity in medical publishing. They collaborate with respected associations, including various Canadian medical societies, to ensure the quality and relevance of their publications.

While Pulsus Group is well-known for its focus on specialties such as cardiology, integrative medicine, surgery, and reproductive medicine, it also publishes journals dedicated to spine surgery and spinal disorders. These journals aim to provide a platform for the dissemination of cutting-edge research, clinical practices, and innovative treatment approaches in the field of spinal health.

By aligning with globally recognized academic and research societies, Pulsus Group enhances its credibility and outreach within the medical community. Their commitment to fostering collaboration with organizations focused on spine surgery and spinal disorders further strengthens the knowledge base and resources available to practitioners and researchers in this vital specialty.

Through their publications, Pulsus Group aims to advance the understanding of spinal disorders, improve surgical techniques, and promote evidence-based practices that enhance patient care and outcomes in spine surgery.

MARKET ANALYSIS

The spine surgery and spinal disorders market is experiencing significant growth, driven by an aging population, rising prevalence of spinal conditions, and advancements in surgical technologies such as minimally invasive techniques and robotics. Valued at several billion dollars, the market is projected to grow at a CAGR of 5-7% over the next few years. Key players like Medtronic and Stryker dominate the landscape, while emerging companies focus on innovative treatments. Despite challenges such as high costs and regulatory hurdles, increasing awareness of spinal health and the demand for effective treatments create robust opportunities for growth across both surgical and non-surgical segments.

TARGET AUDIENCE

- Neurosurgeons
- Neurosurgeons
- Medical Imaging Specialists
- Healthcare IT Professionals
- Medical Researchers
- Healthcare Administrators
- Medical Students and Residents
- Health Administrators
- Imaging Software Developers
- Patient Advocacy Groups
- Healthcare Consultants

WHO SHOULD ATTEND

- Neurosurgeons
- Students Researchers
- Industry Professionals
- Physicians
- Healthcare Associations and
- Societies
- Pharmaceutical Industries
- Healthcare Faculty
- Business Entrepreneurs
- Medical Colleges and Universities
- Health insurance providers
- Researchers
- General audience

WHY TO ATTEND

Global Networking: Engage with esteemed Neurosurgons, industry leaders, and pioneering organizations on an international scale, fostering valuable connections and collaborative opportunities.

Cross-Disciplinary Collaboration: Participate in synergistic discussions and partnerships between neurosurgons, technologists, and researchers, driving innovation and advancing the field.

Transformative Impact: Delve into cutting-edge imaging technologies and their profound clinical implications, enhancing diagnostic accuracy and improving patient outcomes, positioning yourself at the forefront of spine surgery advancements.

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.
An opportunity to build and reinforce strategic relationships within the office professional industry.
Time to network with industry colleagues and key decision makers.
A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.
Access to a broad network of industry partners from state and federal Government departments and the private sector.
Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.
Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR $7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

BRONZE SPONSOR
$3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

EXHIBITION SPONSOR
$2500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

EDITORIAL BOARD MEMBERS

Patricia Dalby
University of Pittsburgh, USA

Inna Belfer
University of Pittsburgh, USA

Shan Ping Yu
Emory University, USA

Etsuro Sakai
University of Pittsburgh, USA

Rita B. Merman
University of Pittsburgh, USA

Barbara Maher Rogers
The Ohio State University, USA

SUPPORTING JOURNALS

Selected contributions will be published in following supporting international Journals:

The neurosurgery Journal

ABOUT VENUE

Dubai, a dazzling gem in the United Arab Emirates (UAE), is renowned for its futuristic architecture, luxurious lifestyle, and vibrant cultural tapestry. Nestled on the southeastern coast of the Arabian Peninsula, this bustling metropolis has transformed from a humble fishing village into a global city and a major business hub.

At the heart of Dubai's skyline stands the Burj Khalifa, the tallest building in the world, reaching a staggering height of 828 meters. This architectural marvel not only offers breathtaking views but also symbolizes Dubai's ambition and innovation. Nearby, the Burj Al Arab, designed to resemble a billowing sail, is often dubbed the world's only seven-star hotel, epitomizing luxury with its lavish amenities and opulent interiors.

Today, tourism, trade, and aviation are the backbone of its economy. The city attracts millions of visitors annually, drawn by its shopping festivals, cultural events, and an array of attractions. The Dubai Mall, one of the largest shopping centers in the world, is a shopper's paradise, featuring over 1,200 retail outlets, an ice rink, an aquarium, and numerous dining options. Culturally, Dubai is a melting pot, home to expatriates from various countries. This diversity is celebrated in its culinary scene, where one can indulge in flavors from around the world, from traditional Emirati dishes to global cuisine. The city also hosts a range of cultural events and festivals, including the Dubai Shopping Festival and Art Dubai, showcasing both local and international talents.

Despite its modernity, Dubai has preserved elements of its rich heritage. The historic Al Fahidi neighborhood, with its narrow lanes and wind-tower architecture, offers a glimpse into the past. The Dubai Museum, housed in the Al Fahidi Fort, narrates the city's transformation from a desert trading post to a cosmopolitan hub. The city also pays homage to its Islamic roots, with stunning mosques like the Jumeirah Mosque, which welcomes visitors to learn about Emirati culture and traditions.The city's commitment to sustainability is also noteworthy. Initiatives like the Dubai Clean Energy Strategy aim to make Dubai a global center for clean energy and green economy by 2050. Investments in solar power and sustainable urban development reflect the city's vision for a greener future.

Abstract submission opens: September 15, 2024 | **Registration opens:** September 15 ,2024
Early bird registration: October 16, 2024 | **On spot registration:** December 05, 2024
