6TH INTERNATIONAL CONFERENCE ON

FETAL & MATERNAL MEDICINE

DECEMBER 04-06, 2023 | DUBAI,UAE

https://fetalmedicine.pulsusconference.com

INVITATION

FETAL MEDICINE 2023

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders or rub elbows with pioneers across the globe. We are all set for an amazing event as PULSUS proudly presents the "6th International Conference on Fetal & Maternal Medicine" slated on December 04-06, 2023 in Dubai,UAE.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Fetal Medicine, professionals from around the world to participate in the upcoming Fetal medicine 2023. The meeting for this year will revolve around the theme *"Advances and Innovations in Fetal and Maternal Medicine"* thus relaying the most cutting-edge findings in the field of Fetal and Maternal Medicine. The meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues..

Regards

Zara Gracie | Program Manager

Fetal medicine 2023 | Organizing Committee

CONFERENCE HIGHLIGHTS

- Maternal Fetal Medicine
- Obstetrics & Gynecology
- High Risk Pregnancies
- Maternal Health Issues
- Fetal and Placental Complications
- Childbirth and Delivery Methods
- Birth Defects or Congenital Disorders
- Antenatal & Postnatal Care
- Womens Health
- Role of Midwives
- Neonatology
- Pediatrics
- Pediatric Surgery
- Fetal Surgery
- Fetal echocardiography
- Fetal brain development

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

Scope and Importance:

Maternal-fetal medicine is a global medium for delivering studies and recent innovations on treatment, prevention, and fetal & maternal disease management, sharing ideas on it and thus leading to the development of expertise in maternal and fetal medicine, for the betterment of both academia and industry. Our Conference brings together industry experts, maternal-fetal & neonatal pharmaceutical and healthcare sectors, making the meeting an ideal networking platform, sharing views and knowledge through immersive discussions.

The therapies for maternal, fetal and neonatal care differ from market to market. Many organizations regard prenatal, fetal and neonatal treatments as preventive care and therefore are not protected by them, and many have generally refused congenital care. Nonetheless, prices typically do not exceed USD $35,000 for countries where these requirements are covered. This is less than the expenses incurred only in the first year of life to treat congenital disorders. Therefore, treating disorders such as fetal lung and heart defects and spinal bifida in utero can be more cost-effective, as this can reduce costs compared with postnatal treatments.

TARGET AUDIENCE

- Maternal-fetal medicine specialists
- Obstetricians & Gynecologists
- Embryologists
- Infertility specialists
- Midwives
- Students
- Researchers on women's healthcare

WHO SHOULD ATTEND

- Nurse practitioners (Women's health & Childcare)
- Women's health associations & societies
- Gynecology and Obstetrics Associations and Societies
- Pharmaceutical Companies
- Professors & Lecturers
- Medical instrumentation industries
- Healthcare business entrepreneurs
- YOU!

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR $7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

BRONZE SPONSOR
$3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

EXHIBITION SPONSOR
$2500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

ABOUT VENUE

Dubai is the most populous and largest city in the United Arab Emirates (UAE). It is situated on the southeast shoreline of the Persian Gulf and is one of the seven emirates that make up the nation. The city of Dubai is situated on the emirate's northern coastline and heads up the Dubai-Sharjah-Ajman metropolitan territory. Dubai has developed as a global city and business center point of the Middle East. It is likewise a noteworthy transport center point for travelers and freight. Dubai has attracted world attention through large construction projects and sports events, the world's tallest building, the Burj Khalifa. By 1960s, Dubai's economy was based on revenues from trade and, to a smaller extent, oil exploration concessions, but oil was not discovered until 1966. Oil revenue first started to flow in 1969. Dubai's oil revenue helped accelerate the early development of the city, but its reserves are limited, and production levels are low: today, less than 5% of the emirate's revenue comes from oil. The emirate's Western-style model of business drives its economy with the main revenues now coming from tourism, aviation, real estate, and financial services. Dubai has recently attracted world attention through many innovative large construction projects and sports events. The city has become iconic for its skyscrapers and high-rise buildings. Dubai provides a world-class education and enormous job opportunities. The most wellknown universities in Dubai are American University in Dubai, Hult International Business School, Al Ghurair University, The American College of Dubai, the University of Wollongong in Dubai and British University in Dubai offering courses in Business Administration, Engineering, Architecture and Interior Design.
