Invitation

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Paris is all set for an amazing event as PULSUS proudly presents the "World Congress on Advanced Food Science and Technology slated on October 15-16, 2018 at Paris, France.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Food Science from around the world to participate in the upcoming Food Science 2018. The meeting for this year will revolve around the theme "Craving new paths in Food Science Technology" thus relaying the most cutting edge findings in the field of Food Science Research. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

Regards
Food Science 2018
Organizing Committee

Conference Highlights

- Chemistry of Food science
- Nutritional food
- Functional Foods and Nutraceuticals
- Manufacturing and handling of food
- Food additives and its biochemistry
- Metabolism of food and nutrition
- Traditional patterns of food
- Pharmacy of food
- Allergy and food toxicology
- Processing and Preservation of food
- Biotechnology of food
- Microbial food technology
- Kinetics of food and metabolism
- Diet and fitness
- Obesity and malnutrition
- Advanced food research
- Food laws and safety
- Food waste management
- Quality and testing of food
- Food substitution and engineering

About PULSUS

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

PULSUS conferences act as a catalyst on the research trends that really matter and spurring their adoption by exploring and disseminating cutting-edge information. Thus, mainly adhere to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.

Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

30 YEARS OF EXCELLENCE IN MEDICAL PUBLISHING

Nourishment science is the investigation of the physical, natural, and synthetic cosmetics of sustenance; the reasons for sustenance disintegration; and the ideas hidden sustenance preparing. Sustenance researchers and technologists apply logical orders including science, technology, microbiology, and nourishment to the investigation of nourishment to enhance the security, nourishment, healthiness and accessibility of sustenance. Contingent upon their region of specialization, nourishment researchers may create approaches to process, protect, bundle, and additionally store sustenance as per industry and government particulars and directions. Innovation in the field of food science with the aid of tools required to the determination, protection, handling, bundling, conveyance, and utilization of safe sustenance. Related fields incorporate scientific science, biotechnology, building, nourishment, quality control, and sustenance security administration.

Target Audience

- Food Researchers
- Food inspectors
- Doctors
- Agricultural Institutes
- Health science Departments
- Biotechnologists
- Research faculty
- Academic Scientists
- Students
- Diagnostic laboratory professionals
- Business Entrepreneurs
- Industry professionals
- Directors/Managers/CEO's
- Presidents & Vice Presidents
- Brand Manufacturers/ Marketers of Consumer Products
- Marketing, Advertising and Promotion Agency Executives

Who should attend?

- Food Researchers
- Nutritional Professionals
- Healthcare Professionals to Exchange Ideas
- Knowledge and Networking at its 100+ International Conferences

Why to attend?

- 10+ Keynote Speaker Session
- 50+ speaker faculty over 2 full days sharing Evidence Based Nursing practice
- 5+ Workshops
- 13 Interactive sessions
- Mixture of Health care units and Academia Delegates
- Networking

Paris, the cosmopolitan capital of France, is one Europe's biggest urban areas, with 2.2 million individuals living in the thick, focal city and just about 12 million individuals living in the entire metropolitan zone. Situated in the north of France on the waterway Seine, Paris has the merited notoriety of being the most wonderful and sentimental of all urban areas, overflowing with memorable affiliations and remaining unfathomably powerful in the domains of culture, craftsmanship, mold, nourishment and plan. Named the City of Light (la Ville Lumière) and Capital of Fashion, it is home to the world's finest and most extravagant form originators and beauty care products, for example, Chanel, Dior, Yves Saint-Laurent, Guerlain, Lancôme, L'Oréal, Clarins, and so forth. An extensive piece of the city, including the River Seine, is an UNESCO World Heritage Site. The city has the second most noteworthy number of Michelin eateries on the planet (after Tokyo) and contains various famous historic points, for example, the world's most gone by traveler site the Eiffel Tower, the Arc de Triomphe, the Notre-Dame Cathedral, the Louver Museum, Moulin Rouge, and Lido, making it the most prominent visitor goal on the planet with 45 million voyagers every year.

Sponsorship

Why Sponsor Our Event?

- Maximum exposure at a premier conference devoted to those involved in the office professional industry.
- An opportunity to build and reinforce strategic relationships within the office professional industry.
- Time to network with industry colleagues and key decision makers.
- A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.
- Access to a broad network of industry partners from state and federal Government departments and the private sector.
- Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.
- Increased marketing opportunities including visibility on the conference website and associated marketing materials

Diamond Sponsor: $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

Gold Sponsor: $7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

Silver Sponsor: $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

Bronze Sponsor: $3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
