Welcome Message

Dear Colleagues and Friends,

Pulsus ***2nd International Conference on Food Technology and Nutrition*** to be held at ***October 07-08th 2019*** in ***Madrid, SPAIN***. It is my pleasure to welcome all to participate in this considerable and prestigious event organized with Pulsus LLC group. On behalf of our Organizing Committee, it's an honour to host this organization at magnificent city Madrid, SPAIN.

Pulsus LLC organizes above 500 Conferences every year across the globe with support from 500 more scientific societies. Pulsus Conferences have a great platform for global networking and deal with the best quality considerations in food science, nutrition, and health and food technology.

I would like to thank all of you who have worked on putting our remarkable meeting together; I would also like to express my appreciation to the Pulsus Group for elegant configuration.

Madrid is the capital of Spain, and is home to the Spanish Royal family as well as the Spanish Government. It is a modern metropolitan city, an economical and industrial center of Spain, and, with its population of nearly 3.5 million people, is also the biggest city in Spain. Madrid has a lot of interesting attractions that offer both culture and amusement.

The city is full of great monuments, like the royal palace, the Plaza Mayor or the many statuettes, and for people interested in art, the museums Del Prado, Reina Sofia or Thyssen have some of the most fantastic collections of famous Spanish painters like Velazquez, Goya, Picasso or Miro. The city has big amusement park including the new Warner Bros park.

I cordially invite you to our 2 days program for Pulsus 2nd International Conference on Food Technology and Nutrition to be held at October 07-8th in Madrid, SPAIN. Our main theme is "***Advanced Researches in Food Technology and Nutrition***" .

I hope that it will be sharing your worthy data and your outputs regarding food technology and nutrition with our participants through Madrid Food Technology and Nutrition Conference at Madrid, SPAIN . Emphatically, professional gains and efficiencies will leave a mark in your memory.

Have a great conference time in magnificent city Madrid, SPAIN

Warm regards...

Ozlem TOKUSOGLU, Associate Professor Dr
