TENTATIVE PROGRAM

Annual Congress on

FOOD SCIENCE AND NUTRITION

June 06-07, 2022 | Dublin, Ireland

Theme: Craving Latest Trends And Advancements in Food Science And Nutrition

foodscience@pulsusglobalevents.com

Sessions: Food Science | Food | Food Chemistry | Nutrition | Medicinal foods and Neutraceuticals | Nutrition and Diabetes | Nutrition | Nutritional Science | Food Fraud and Quality	
	8:30-9:30 Registrations
KN	**Determination of Optimum Electrical Conductivity of Nutrient Solution for Plant Growth and Bioactive Compounds of Centella asiatica in Hydroponic System**
	Dr. Md Rayhan Ahmed Shawon | Bangladesh
KN	**Nutritional Status and School Attendance of Children in Primary and Middle Schools in Jammu & Kashmir, India**
	Dr. Md Rayhan Ahmed Shawon | Bangladesh
	NETWORK & REFRESHMENTS BREAK | 11:30-11:45
PL	**Isolation and characterization of antibacterial peptide produced by Pediococcus pentosaceus PB2 Isolated from Pito, a Sorghum-Based Fermented Beverage in Nigeria**
	DR OTUNBA, AA | Nigeria
PL	**Sodium Butyrate Ameliorates Neurotoxicity through Alleviating PPAR-γ/CREB/BDNF Signaling Pathways and Antioxidant, Anti-apoptotic Activities in High Fat Diet-fed Mice and Reduced Neuroinflammation and Suppress Apoptotic Markers in Human Neuroblastoma**
	Al Borhan Bayazid | Korea
	LUNCH BREAK | 13:00-13:45
PL	**Can Mediterrean Diet Improve Fatigue in Cancer Survivors?**
	Mrs.Frantzeska Nimee | Greece
PL	**Effects of Nutritional disorders impairing the one-carbon cycle on diabetic cardiomyopathy remodeling: experimental data and clinical perspectives**
	Liapi Charis | Greece
PL	**Implications of nutritional effects on one carbon metabolism on heart function and potential interactions in a diabetic substrate: experimental data and clinical perspectives**
	Liapi Charis | Greece
PL	**Precision Agriculture In Food Technology**
	Dr. Norhashila Hashim | Malaysia
	NETWORKING & LUNCH | 16:00-16:15
POSTER	**Antidiabetic Effect of Brassica oleracea var. capitata and Raphanus sativus in Wistar Rats Fed a High-Sucrose Diet**
	Jonatan Jafet Uuh Narvaez | Mexico
POSTER	**Role of taurine supplementation in neurological recovery of acute spinal cord injury (ASCI) subjects**
	Ms. Zeenat Ara | India
