6th International Conference on Mycology and Fungal Infections

October 07-08, 2019
Madrid, Spain

fungalinfections@pulsusglobal.com

INVITATION

Fungal Infections 2019

Fungal Infections 2019 welcomes attendees, presenters and exhibitors from all over the world. We are delighted to invite you all to attend and register for the "6th International Conference on Mycology and Fungal Infections" which is going to be held during **October 07-08, 2019** at **Madrid, Spain**. The conference will be organized around the Theme 'Impact of Mycology and Fungal Infections in Addressing Ultimate Global Health Challenges'. Our goal is to deliver an outstanding program which covers the entire spectrum of research & innovations in Mycology and Fungal Infections and share the cross-cultural experiences of various treatment procedures.

Fungal Infections 2019 has been designed in an interdisciplinary manner with a multitude of tracks to choose from every segment and provides you with a unique opportunity to meet up with peers from both industry and academia and establish a scientific network between them. We cordially invite all concerned people to come join us at our event and make it successful by your participation.
This is an annual meeting of Mycology and Fungal Infections as well as committees to discuss the future of the antibiotics, vaccines, prevention of infection in terms of collaboration, structures, and organizational development.

"Impact of Mycology and Fungal Infections in Addressing Ultimate Global Health Challenge"

Conference Highlights:

- *Mycology and Infections*
- *Fungal infection and Diseases*
- *Opportunistic Fungal Infections*
- *Other Fungal Infections*
- *Epidemiology*
- *Diagnostic Techniques*
- *Prevention and Antifungal Therapeutics*
- *Emerging Fungal Diseases of Human and Animals*
- *Applied Mycology and Biotechnology*
- *Fungal Ecology*
- *Mycology In Addressing Major Global Challenges*

Why To attend?

With members from around the world focused on learning about Microbes, Fungi, Bacteria, Infectious diseases, Anti-fungal Medicine and its advances; this is your best opportunity to reach the largest assemblage of participants from the Healthcare and research community. Conduct presentations, distribute information, meet with current and potential scientists, make a splash with new discoveries in the Mycology and Fungal Infections treatment and diagnosis, and receive name recognition at this 2-day event. World-renowned speakers, the most recent techniques, developments, and the newest updates in the health sector, Fungal Infection, pathogenic Fungi, genetically engineered Fungus, new therapies to treat Infection, vaccines, are hallmarks of this conference.

Conference Speakers

Title: Rare presentation of cryptococcal meningitis in an immunocompetent patient

Amed Khattab, Allegheny Health Network, USA

Title: Candida-associated gastric ulcer until yesterday, today, and from tomorrow

Kenji Sasaki, Japanese Society of Internal Medicine, Japan

Title: Novel treatment of disseminated Coccidioidomycosis in a dog with voriconazole

Chantel Raghu, Chris Reagh, DVM DACVIM, Care Center, USA

Title: Chemical composition and antibacterial activity of Ageratina jahnii and Ageratina pichinchensis essential oils collected in Mérida, Venezuela

Janne Rojas, University of Los Andes, Venezuela

Title: Molecular and Morphological Identification of Isolated Fungal Pathogens from Infected Nephelium lappaceum L. (RAMBUTAN)

Alvarez Lourdes V, Polytechnic University of the Philippines, Philippines

Title: Potential of mushroom compounds as immunomodulators in cancer immunotherapy, a review

Peter Amwoga Ayeka, Egerton University, Kenya

Title: Identification of Alternaria spp. associated with black spot on pecans (Carya illinoinensis) in South Africa.

Conrad Achilonu, Free State, South Africa

Title: Concurrent Phaeohyphomycosis in canine superficial pyoderma associated with Pseudomonas aeroginosa

Vinod Kumar Singh, DUVASU, India

Title: Evaluation and Topical Gel Formulation using Sphaeranthus indicus L. Flower against Dermatophyte Fungal Infections

M. Sharanya, VISTAS, India.

Important Dates:

First round of abstract submission closes : **July 13, 2019**
Early bird registration ends : **July 15, 2019**

To Submit abstract online : https://fungalinfections.cmesociety.com/abstract-submission
To Register : https://fungalinfections.cmesociety.com/registration
