2nd ANNUAL CONGRESS ON

GENETIC ENGINEERING AND HUMAN DISORDER

MARCH 27-29, 2023 | LONDON, UK

https://geneticengineering.cmesociety.com/

INVITATION

GENETIC ENGINEERING 2023

Genetic Engineering 2023 intends to host all the well-known Genetics researchers and Engineers, doctors, medical geneticists, genetic surgeons, medical professionals, Fellowship holders, Residents, Pharmaceutical industries, and Healthcare professionals related to the field of Genetics. The conference with the theme “Perspective towards modern automation in Genetics”, which implies that Genetic Engineering 2023 will be a venue for exploring the advances in the field of Genetics. In this gathering, the major advances in techniques, therapy, and genetic mutation changes related to Genetics and human disorder will be discussed and the outcomes of the procedures are to be shared. This conference will serve as a unique opportunity for the delegates of Medical Universities and Business persons. Genetic Engineering 2023 will not only be a venue hosting the largest gathering of medical geneticist and related professionals but also attempts to spread Knowledge on advances in the ever changing-field of Genetics. Genetic Engineering 2023 includes Keynote speeches, Plenary speakers, Oral and Poster presentations.

Interested professionals can confirm their participation by registering in Genetic Engineering 2023.

Regards,
Amelia Hope | Program Manager
Organizing Committee | Genetic Engineering 2023

CONFERENCE HIGHLIGHTS

- Healthcare
- Human Genetics
- Molecular Genetics
- Medical genetics
- Population genetics
- Pediatrics and Genetics
- Statistical Genetics
- Genetic Disorders
- Genomics
- Clinical genetics
- Gene mutation
- Gene Mapping
- Genetic analysis of DNA structure
- Gene therapy
- Genetic counselling
- Genetic Epidemiology
- Chromosomal abnormality
- Cytogenetic
- Neuro Genetics
- Diagnosis and Prognosis of Inborn Disorders
- Remedy for Hereditary Ailments
- Ethical and Legal Issues
- Cancer Genetics
- Reproductive Genetics / Prenatal Genetics

Years Excellence

ABOUT US

Pulsus Group is an internationally renowned peer-review publisher in scientific, technical, and medical journals established in the year 1984 with offices in Ontario, Canada and Hyderabad, India has acquired Andrew John Publishing and openaccessjournals.com to expand its Open Access Publishing through its 50+ journals in association with 20+ International medical and scientific societies.

Pulsus through its cmesociety.com is been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international CME/CPD accredited conferences and meetings.

Pulsus Group is a Medical publisher that adheres to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. Pulsus Group takes pride in getting the endorsements of prestigious associations and societies like Canadian medical societies. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.Pulsus group is closely associated with globally renowned academic and research societies like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand.

MARKET ANALYSIS

Genetics market analysis, size, share, growth, trends, and forecast 2017-2026. During the projected period, the global genetic market is expected to develop at a robust CAGR of 11.5%. (2017-2026). The worldwide genetic market was worth $7749.00 million in 2017 and is predicted to be worth &25948.46 million by 2026, increasing at a CAGR of 14.37% during the forecast period. Europe, along with the United States, is a successful management in human genetics. The European market for human genetics is expanding rapidly. By the end of 2023, the estimated value will be USD2253.10Mn.

R&D businesses, Genetics& Genomic companies, Medical research laboratories, Academic medical institutes and universities are among those expected to contribute to the growth of the worldwide Human genetics market. The worldwide Human genetics market is segmented into instruments, methodologies, applications, and end users.

During the projected period, the global human genetics market is expected to develop at a high CAGR of 11.5%. (2017-2026). It should be noted that the worldwide genetic market was worth $7749.00 million in 2017 and is predicted to be worth $25948.46 million by 2026, increasing at a CAGR of 14.37% over the forecast period.

TARGET AUDIENCE

- Genomics and Genetics Students
- Genomics and Pharmacogenomics Researchers
- Genomics and Pharmacogenomics Faculty
- Genomics Scientists
- Genomics Colleges
- Genetics and Disorder Scientists
- Pharmacology Health Professionals
- Genetics Associations and Societies
- Geneticists
- Genetic Counsellors
- Bio-pharmacists
- Business Entrepreneurs
- Software developing companies
- Data Management Companies

WHO SHOULD ATTEND

- Geneticists
- Health Care Professionals
- Medical Device Companies
- Pharmaceutical Companies
- Genetic Research Institutes
- Genetic Research Centers
- Oncologist
- Genetics Associations and Societies
- Clinical geneticists
- R&D Companies
- genetic nurse
- genetic counsellor
- Bio-pharmacists
- Genetics Associations and Societies

WHY TO ATTEND

Genetic Engineering 2023 is an international platform for presenting research about diagnosis, prevention, and management and exchanging ideas about it and thus, contributes to the dissemination of knowledge in Genetics and Human Disorders for the benefit of both academia and business.

The organizing committee of this Genetic Engineering is gearing up for an exciting and informative conference program including plenary lectures, symposia, workshops on a variety of topics, poster presentations and various programs for participants from all over the world. We invite you to join us at Genetic Engineering 2023, where you will be sure to have a meaningful experience with scholars from all around the world. All members of the Genetic Engineering 2023 and Organizing Committee look forward to meeting you in LONDON, UK.

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.
An opportunity to build and reinforce strategic relationships within the office professional industry.
Time to network with industry colleagues and key decision makers.
A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.
Access to a broad network of industry partners from state and federal Government departments and the private sector.
Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.
Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR
$10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR
$7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR
$5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

BRONZE SPONSOR
$3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

EXHIBITION SPONSOR
$2500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

EDITORIAL BOARD MEMBERS

Kwame Anyane-Yeboa
Columbia University Medical Center, United States

Eric R. Braverman
University of Florida College of Medicine, USA

Wei Wu
Nanjing Medical University, China

Alexander Birbrair
Federal University of Minas Gerais Belo Horizonte, Brazil

Guo-Zhang Zhu
Marshall University, USA

Prakasha Kempaiah
University of New Mexico School of Medicine, USA

Eric R Braverman

University of Leicester, UK

SUPPORTING JOURNALS

Selected contributions will be published in following supporting international Journals:

Journal of Genetic Disorders and Genetic Medicine
https://www.pulsus.com/journal-genetic-disorders-genetic-medicine.html

Journal of Clinical Genetics and Genomics
https://www.pulsus.com/journal-clinical-genetics-genomics.html

CONFERENCE

AGENDA / TENTATIVE PROGRAM

DAY 1 | MARCH 27, 2023 | MONDAY	
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
Group Photo	
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Healthcare | Human Genetics | Molecular Genetics
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Medical genetics | Population genetics | Pediatrics and Genetics
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Tracks: Statistical Genetics | Genetic Disorders
Day Concludes	
DAY 3 | MARCH 28, 2023 | TUESDAY	
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Genomics | Clinical genetics | Gene mutation
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Gene Mapping | Genetic analysis of DNA structure | Gene therapy
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Genetic counselling | Genetic Epidemiology
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Genetic counselling | Genetic Epidemiology
Day Concludes | Award Ceremony	
DAY 3 | MARCH 29, 2023 | WEDNESDAY	
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Chromosomal abnormality | Cytogenetic | Neuro Genetics
11:30-11:45	Network & Refreshments Break*

ABOUT VENUE

London is the capital of England and the United Kingdom, as well as the largest city in Europe and one of the world's most famous tourist destinations. The City of London, located on the River Thames in south-east England, is known for its ancient core. London demonstrates a strong understanding of the arts, commerce, communication, literature, fashion, finance, healthcare, education, media, tourism, and entertainment.

London, Europe's third most populous city, has a population of about 9 million people and speaks over 300 languages. London tourism is one of the best, with its mix of history and literary beauty. The Tower of London, Kew Gardens, the Palace of Westminster, and St Margaret's Church are all World Heritage Sites. Buckingham Palace, the London Eye, St Paul's Cathedral, Tower Bridge, Piccadilly Circus, and Trafalgar Square are among the other breathtaking sights. In addition to these, London has numerous museums, sporting venues, galleries, and libraries.

Moving on, the United Kingdom is home to the National Health Service (NHS). The NHS is widely regarded as one of the best public healthcare systems in the world. The NHS supplements a wide range of excellent public healthcare services.

Abstract submission opens: October 01, 2022 | **Registration opens:** October 10, 2022
Early bird registration: November 01, 2022 | **On spot registration:** March 27, 2023
