Invitation

PULSUS
WWW.PULSUSCONFERENCE.COM

We heartily welcome and appreciate you all to attend the "Annual Congress on Genetic Engineering and Human Disorder" which will be held on June 10-11th, 2022, at the evergreen city of Dublin, Ireland. It's our immense pleasure in conducting yet another international conference based on the discipline of Genetics and Genetic Engineering, which is an indispensable emerging field in the world of science and healthcare.

The prime initiative of organizing this prestigious event is to provide an amazing forum for all classes of dignitaries to exhibit their valuable contribution into the limelight of scientific community. Genetics 2022 has been organized in an interdisciplinary manner which incorporates several modalities pertaining to the field of Molecular biology, Bio-informatics, Genetic Engineering so as to disseminate wide range of information to all the participants.

Regards
Genetics 2022
Organizing Committee

Conference Highlights

- Genetics And Disorder
- Gene Therapy And Gene Editing
- Genomics
- Medical Genetics
- Evolutionary and Population Genetics
- Genetic Disorders
- Pediatrics and Genetics
- Cytogenetics
- Genome Integrity
- Cancer Genetics
- Neurogenetics
- Reproductive Genetics/Prenatal Genetics
- Immunogenetics
- Genetic Heredity
- Plant aAnd Animal Genetics

PULSUS

About PULSUS

PULSUS
WWW.PULSUSCONFERENCE.COM

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

Pulsus Group is a Medical publisher that adheres to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. Pulsus Group takes pride in getting the endorsements of prestigious associations and societies like Canadian medical societies. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine. Pulsus group is closely associated with globally renowned academic and research societies like Canadian Society of Plastic Surgeons | Canadian Society for Aesthetic Plastic Surgery | Grouper Advancement | a Microchemistry Canada | Canadian Society for Surgery of the Hand..

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Market Analysis

Genetics Conferences 2022 welcomes all the attendees, researchers, presenters, associations, and exhibitors from everywhere around the globe to London, UK. We tend to square measure delighted to ask you all to attend the "Annual Congress on Genetic engineering and Human Disorder" that goes to be command on the month of June 10-11 2022, in Dublin, Ireland. This Congress Committee is an exciting and informative conference program together with comprehensive lectures, symposia, workshops on informative topics, poster shows, and numerous programs for participants from everywhere around the globe. We invite you to Genetics 2022 conferences, to share purposeful expertise with scholars from around the world. We look forward to seeing you in Dublin, Ireland.

The global genetic market is expecting healthy growth at a CAGR of 11.5% during the forecast period of (2017-2026). It is to be noticed that the global genetic market has accounted for $7749.00 million in 2017 and is expected to reach & 25948.46 million by 2026 growing at a CAGR of 14.37% during the forecast period. Europe is one of the successful managements in Genetics and Disorder next to the U.S. Europe has a significant rise in the Genetics and Disorder market. The estimation will reach the valuation of USD 2253.10Mn by the end of 2023.

The marketplace for molecular testing is growing at an honest pace. Currently, most of the molecular tests are either PCR or FISH. In addition, microarray technology has made it possible to gauge thousands of loci that are widely used for expression analysis, targeted at specific cell signaling pathways, and for metabolic pathways for pathological characterization of tumors.

Target audience

- Genetics
- Genetic Researchers
- Research Scientists
- Healthcare professionals
- Research Scholars
- Diagnostic Lab Professionals
- Industrialists
- Students
-

Who Should attend?

- Genetic Engineering Professionals Genetics Practitioners
- Medical and Healthcare Professionals to Exchange Ideas and
- Knowledge Networking at its 100+ international Conferences

Why to attend?

Firstly, Genetics 2022 conference collectively includes oral presentations, poster and e-poster presentations, exhibitions, symposia and workshops, through which there is a huge scope for exploratory learning. Second, since this event is a combined gathering of various leading academic experts such as Genetic Engineers, Genetic Scientists, Research scientists and Laboratory experts, participating in this conference paves the way for driving an optimal benefits to oneself and others with respect to knowledge sharing. This conference is a good opportunity to attend, to infer novel insights from the ongoing research and medical practices, particularly in the field of Bio-informatics, Computational Medical science, Medical Genetics, Genomics, Genetic Disorder, Evolutionary Genetics, Hereditary disorders, Neuronal Disorders, Robotic genetic surgery. Overall, attending this conference would be equally beneficial to all the attendees especially to the budding scientists and young researchers, as they can enhance and widen their innovative ideas of scientific research.

Event at a Glance

June 10, 2022 | Friday	
Time	Session
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
	Group Photo
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Genetics and Disorder | Gene Therapy and Gene Editing | Genomics
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Medical Genetics | Evolutionary and Population Genetics | Genetic Disorders
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Tracks: Pediatrics and Genetics | Cytogenetics | Genome Integrity
	Day Concludes

June 11, 2022 | Saturday	
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Cancer Genetics | Neurogenetics | Reproductive Genetics/Prenatal Genetics
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Immunogenetics | Genetic Heredity | Plant And Animal Genetics
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Genetic and Heredity | Future Research on Heredity | Advancements over genetics
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster Presentations
	Day Concludes
	Award Ceremony
	Conference Concludes

Editorial Board Members

Guo-Zhang Zhu

Professor, Department of Biological Sciences, Marshall University, USA

Eric R. Braverman

Assistant Professor at the University of Florida College of Medicine and the McKnight Brain Institute Founder and President of PATH Foundation, USA

Prakasha Kempaiah

Associate Professor, Department of Internal Medicine, University of New Mexico School of Medicine, USA

Wei Wu

Professor, Department of Toxicology, Nanjing Medical University, China

Arie Drugan

Director, Obstetric Division, Department of Obstetrics & Gynecology, Rambam Medical Center, Haifa, Israel

Erich Cosmi

Associate Professor,Department of Obstetrics and Gynecology,University of Padua School of Medicine,Italy

Mohammed Kuddus

Head, Department of Biochemistry, College of Medicine, University of Hail, Saudi Arabia

Shalini Singh

Assistant Professor, Department of Chemistry, Bareilly College, India

Abhishek Nandan

Assistant Professor, University of Petroleum & Energy Studies, Dehradun, India

Sandeep Kumar Kar

Assistant Professor, Institute of Postgraduate Medical Education & Research, India

Airong Li

Assistant Professor of Neurology, Genetics and Aging Research Unit, Massachusetts General Hospital and Harvard Medical School, USA

Jia Zhou

Radiation Oncology, Dana-Farber Cancer Institute, Harvard Medical School, USA

Mustafa Ozen

Department of Pathology, Baylor College of Medicine, USA

Khue Vu Nguyen

Departments of Medicine and Pediatrics, University of California, USA

Haris Kokotas

Department of Genetics, Institute of Child Health, Athens, Greece

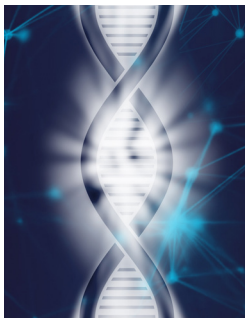
Supporting Journals

Selected contributions will be published in following supporting international Journals:

Journal of Genetics and Molecular Biology

Journal of Cell Science and Mutation

Research and Reports on Genetics



PULSUS

DUBLIN, IRELAND

Dublin, famous for its cultural legacy and wonderful friendliness, is situated on a large harbor between Howth in the north and Dalkey in the south. The city is divided in two by the Rivers Liffey, which flows into the port. The north-south division is crossed by several bridges, the most renowned of which is the O'Connell Bridge. Any are beautiful places to wander and soak in the city's charm. Pre-independence The beautiful Georgian architecture and gorgeous gardens of Dublin, formerly the second metropolis of the British Empire, give witness to a tumultuous history. Yeats, Beckett, Joyce, Shaw, and Wilde are just a few of the famous literary personalities that have come from Ireland's capital. Dublin's written legacy dates back to AD 800, when The Book of Kells, now on permanent display at Trinity College, was designated as a UNESCO City of Literature.

Sponsorship

PULSUS

Why Sponsor Our Event?

- Maximum exposure at a premier conference devoted to those involved in the office professional industry.
- An opportunity to build and reinforce strategic relationships within the office professional industry.
- Time to network with industry colleagues and key decision makers.
- A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.
- Access to a broad network of industry partners from state and federal Government departments and the private sector.
- Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.
- Increased marketing opportunities including visibility on the conference website and associated marketing materials

Diamond Sponsor: $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

Gold Sponsor: $7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

Silver Sponsor: $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

Bronze Sponsor: $3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

Exhibition Sponsor: $2500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth
