World Congress On GEO CHEMISTRY 2017 NOVEMBER 16-17, 2017 Atlanta, USA

Invitation

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Los Angeles is all set for an amazing event as PULSUS proudly presents the "14th World Pediatrics Conference" on September 11-13, 2017.

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Los Angeles is all set for an amazing event as PULSUS proudly presents the "World Congress on Geo Chemistry" on November 16-17, 2017.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Geology and chemistry people from around the world to participate in the up-and-coming Geo Chemistry 2017. The meeting for this year will revolve around the theme "Current Trends and Innovations in Geo Chemistry" thus relaying the most cutting edge findings in the field of Geochemistry Research.

The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach.

Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

Regards

PULSUS is all set for an optimistic tone for the conferences to escalate medical & scientific know-how and create cognizance on the latest research findings & unfoldings in a manner that testifies not only brilliance but also transparency

Conference Highlights

- Environmental geochemistry and health
- Isotope geochemistry
- Organic and Inorganic geochemistry
- Petroleum geochemistry
- Water chemistry
- Soil geochemistry
- Eutrophication
- Biogeochemistry
- Applied geochemistry
- Photo geochemistry
- Regional geochemistry
- Aqueous geochemistry
- Material science

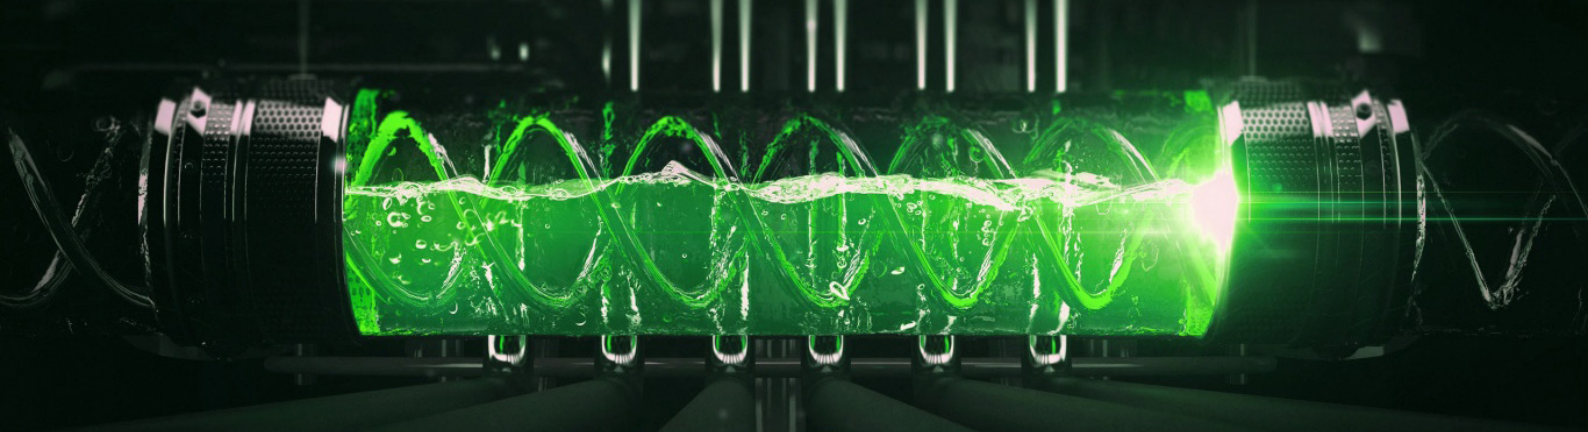

Pulsus Group Conferences

300+ International Medical & Scientific Conferences, summits and events

Distinctive Features

- Attend and earn CE, CME & CPD credits.
- Learn about the latest developments in your field and aid your own growth.
- Meet your target audience & expand your B2B network.
- Get your research published in conference proceedings and renowned journals.
- Go live streaming on Youtube.
- Spread your knowledge. Conduct workshops, symposiums and exhibit your best products
- Call for Investors-Investors Meet

About Pulsus:

- PULSUS conferences act as a catalyst on the research trends that really matter and spurring their adoption by exploring and disseminating cutting-edge information. Thus, mainly adhere to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancement de la Microchirurgie Canada, Canadian Society for Surgery of the Hand. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.
- Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.
- Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. We want our conferences, societies, associations and the technology communities and companies who participate in them, to include, encourage, and recognize people of all races, ethnicities, genders, ages, and abilities. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Pulsus Group Journals (www.pulsus.com)

- 30 years excellence in Medical publishing
- 50+ journals in association with 20+ International medical and scientific societies
- Peer review publishing for Associations, Societies and Universities in Highly Indexed Reputed Journals
- Summary proceedings, custom publications and electronic publications.

Exhibition and Sponsorship

- An Exhibition will be held simultaneously with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new developments in the field of Pediatrics

Additional benefits as follows:

- Free exhibition booth for your association.
- Honorable guests for your presidents.
- Logo advertisement in the conference proceedings.
- Data sharing for your association.

world Congress on GEO CHEMISTRY

NOVEMBER 16-17, 2017

Atlanta, USA

market analysis

Global Geo Chemistry market is forecasted to grow from 216.3 million 2011 to 230 million during 2016 across the major markets (Germany, Australia, Russia, Japan, Italy, China, Spain, UK and US). In 2016, the USA total demand of 96.3 million barrels per day was estimated. That amount almost one third goes to the Asian-Pacific and the Americas regions respectively in the oil and gas industry. This shows development scenario forecasts for oil and gas industry employment in the United States from 2015 to 2035 by segment. It is projected that in 2035 there will be an approximate total of some 2.5 million people working in the oil and gas industry in the United States.

Annual Geo Chemistry Conference 2017 provides the best opportunity to meet eminent scientists from all over the world. Accepted papers will be published in the following Pulsus Group Journals.

- Current Research: Geochemistry
- Petroleum Geochemistry
- Geology and chemistry

About City

Atlanta is the capital of the U.S. state of Georgia. It played an important part in both the Civil War and the 1960s Civil Rights Movement. Atlanta History Center chronicles the city's past, and the Martin Luther King Jr. National Historic Site is dedicated to the African-American leader's life and times. Downtown, Centennial Olympic Park, built for the 1996 Olympics, encompasses the massive Georgia Aquarium..

Atlanta is the capital of and the most populous city in the U.S. state of Georgia, with an estimated 2015 population of 463,878. Atlanta is the cultural and economic centre of the Atlanta metropolitan area, home to 5,710,795 people and the ninth largest metropolitan area in the United States. Atlanta is the county seat of Fulton County, and a small portion of the city extends eastward into DeKalb County. In Atlanta there are many places to visit for example Centennial Olympic park, Georgia Aquarium, and Fernbank Museum of Natural History..

Pulsus Group takes pride in getting the endorsements of prestigious societies and medical research associations world wide.
