INTERNATIONAL CONFERENCE ON

GEOLOGY AND CLIMATE CHANGE

OCTOBER 16-18, 2023 | PARIS, FRANCE

https://geology.cmesociety.com/

INVITAITON

GEOLOGY 2023

Salutations and a warm welcome to the “International Conference on Geology & Climate change” which is going to be held in Paris, France on October 16-18,2023. The kingpin is on “Designing New Research Methodology for Geology and Earth Science”.

Geology Conference 2023 magnanimously invites all the participants from all over the world who are engrossed in sharing their knowledge and research in Geology and Earth Science.

Geology forum will line up with Geologists, Earth Scientists, Environmentalists, Professors, Department Chairs, Assistant Professors, Associate Professors, postdocs, and Ph.D. Students, Engineers, CEOs, and Business delegates

“GeologyConference 2023” provides an excellent platform to interact with eminent Earth Science and future science technology professionals in the field to create a network for collaborations, and partnerships and to talk about future science and technology.

The objective of earth science is to convey world-class research to the general public while simultaneously promoting developments in the earth sciences and discussing international strategies for combating climate change. The study of the earth and its asteroids is known as geoscience. It is an intriguing field of study with a wide range of useful applications. There are many other sciences that are utilized to learn about the Earth, but the four main fields of study in earth science are as follows: meteorology, oceanography, astronomy, and geology.

Join us in creating lasting memories at the “ International Conference on Geology and Climate Change”!

Best Regards,
Organizing Committee
Geology Conference 2023

CONFERENCE HIGHLIGHTS

- Agriculture & Food Security
- Climate Change
- Earth science & technology
- Environmental Science
- Seismology
- Global warming
- Engineering Geology
- Atmospheric Sciences
- Climatology
- Meteorology
- Hydrology and water resource
- Mining and Mineral Exploration
- Geological Surveying
- Petroleum Geology
- Geomorphology
- Crystallography and Mineralogy
- Pollution Treatment
- Geophysics and Geodesy
- Volcanology
- Soil Science
- Planetary Science
- Marine Geoscience

35
Years Excellence

ABOUT US

Pulsus Group is an internationally renowned peer-review publisher in scientific, technical, and medical journals established in the year 1984 with offices in Ontario, Canada and Hyderabad, India has acquired Andrew John Publishing and openaccessjournals.com to expand its Open Access Publishing through its 50+ journals in association with 20+ International medical and scientific societies.

Pulsus through its cmesociety.com is been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international CME/CPD accredited conferences and meetings.

Pulsus Group is a Medical publisher that adheres to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. Pulsus Group takes pride in getting the endorsements of prestigious associations and societies like Canadian medical societies. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.Pulsus group is closely associated with globally renowned academic and research societies like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand.

MARKET ANALYSIS

The global geological market is anticipated to surpass US$ 1.2 billion (EUR 1.05 billion) by 2025, and low-cost Earth science and geoscience technology is becoming increasingly significant. Baler presses will dominate the machinery sector, accounting for 30% of the entire equipment and machinery market, the report predicts. From 2023 to 2030, metal baling is anticipated to grow at a compound annual growth rate of 5.7%, with a revenue target of US$ 390 million.

Meanwhile, "significant growth" is expected in the plastic geological machinery and equipment industry during the next eight years. This specialized market will generate US$ 470 million in sales between 2019 and 2025, growing at a 6.3 percent annual rate. The study estimates that 5.4 billion tonnes of the 7.7 billion tonnes of plastic that are produced annually around the world are not recycled.

China is expected to be a prominent source of revenue for the Asia Pacific region's market, which is expected to surpass US$ 450 million by 2025. Geology usually includes collection, sorting, shredding, and molding processes for PET bottles. Throughout the projection period of 2018-2023, Market Research Future (MRFR) projects that the global PET bottle Geological market will grow at a CAGR of 5.28%. By the end of 2030, the market for PET bottles is expected to reach USD 5,833.6 million from its 2020 valuation of USD 4,281.3 million.

TARGET AUDIENCE

- Geologists
- Earth Scientists
- Environmentalists
- Professors
- Department Chairs
- Assistant Professors
- Associate Professors
- Post doc and PhD. Students
- Engineers
- CEOs and Business delegates

WHO SHOULD ATTEND

- Association and Societies of Geology
- Geology Professionals
- Business Entrepreneurs
- CEOs of Organizations
- Geology and Climate Change Associations
- Geology Industries
- Researchers
- Geologists
- Earth Scientists
- Environmentalists
- Business delegates

WHY TO ATTEND

Geology Conference 2023 provides a wonderful platform for geologists, climatologists, earth scientists, environmentalists, young researchers, business delegates, and engineers to discover the most recent developments, cutting-edge research, and original studies from renowned researchers about geology and climate change. The 2023 Geology Conference exposes attendees to a variety of cutting-edge ideas, including those in Earth Science and Technology, Climate Change, Seismology, Hydrology, Geophysics and Geodesy, Geological Surveys, and Geoscience, among others. This is your finest opportunity to connect with the broadest group of community members given the global membership's interest in geology and climate change.

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.
An opportunity to build and reinforce strategic relationships within the office professional industry.
Time to network with industry colleagues and key decision makers.
A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.
Access to a broad network of industry partners from state and federal Government departments and the private sector.
Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.
Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR $7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

BRONZE SPONSOR
$3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

EXHIBITION SPONSOR
$2500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

EDITORIAL BOARD MEMBERS

Prof. Alexei Gvishiani
Prof. Alexei Gvishiani
Russian Academy of Sciences , Russia

Prof. Daniel De Wrachien
University of Milan , Italy

Dr. Manoj Khandelwal
Federation University Australia , Australia

Ahmed Gaber Shidied Ibrahim
Fayoum University - Egypt

Konstantinos Almpanakis
Professor, Aristotle University of Thessaloniki - Argentina

Chavalit Ratanatamskul
Chulalongkorn University - Thailand

SUPORTING JOURNALS

Selected contributions will be published in following supporting international Journals:

Journal of Environmental Chemistry and Toxicology
https://www.pulsus.com/journal-environmental-chemistry-toxicology.html

Journal of Environmental Geology
https://www.pulsus.com/journal-environmental-geology.html

Journal of Agriculture
https://www.jrmds.in/

CONFERENCE

AGENDA/ TENTATIVE PROGRAM

OCTOBER 16, 2023 - MONDAY	
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
Group Photo	
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Agriculture and Food Security | Climate change | Earth Science and Technology
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Environmental Science | Seismology
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Tracks: Global Warming | Engineering Geology
Day Concludes	
OCTOBER 17, 2023 - TUESDAY	
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Atmospheric Sciences | Climatology | Meteorology
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Hydrology and Water resource | Mining and Mineral Exploration
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Geological Surveying | Petroleum Geology | Geomorphology
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster Presentations
Day Concludes | Award Ceremony	
OCTOBER 18, 2023 - WEDMESDAY	
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Crystallography and Mineralogy | Pollution Treatment | Geophysics and Geodesy
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Volcanology | Soil Science
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Planetary Science | Marine Geoscience
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster Presentation
Day Concludes | Award Ceremony

ABOUT VENUE

Paris, France is referred to as “the city of lights,” “the city of romance,” and “the culinary center of the world,” among other identities. Each year, almost seven million people come here. One of the most incredible cities you will ever travel to in Paris, France. You’ll never grow tired of the incredible things there are to see and do.

The Eiffel Tower is perhaps Paris’ most notable landmark. Every year, more than seven million people visit the Eiffel Tower. You can take the elevator to the top for a modest price. At the pinnacle, the view is breath-taking. Use the stairs that lead from the ground to the second platform if you want to get some exercise. Many people like to go to the Eiffel Tower at night because it all lights up

Due to a number of considerations, Paris, France is a preferred destination for geology conferences. Furthermore, with numerous prestigious universities and research institutions situated there, Paris is a significant center for France’s research and development. These institutions are a natural choice for conferences in this discipline because they are home to numerous academics and scientists that study in the field of geology and earth science. In addition, Paris has great transportation options for getting around the city and to other parts of Paris and Europe. Paris also has a huge number of museums. The Louvre and the Musee de L’Air et de L’espace are two of the well-known ones.

Paris, which boasts a large number of art galleries and was formerly a royal palace, might be a popular destination for conference attendees. Overall, Paris is a good choice for Geology conferences due to its superior research capabilities, connectivity, and cultural diversity.

Abstract submission opens: March 25, 2023 | **Registration opens:** March 25, 2023
Early bird registration: April 1, 2023 | **On spot registration:** October 16, 2023
