ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.v

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

Gynecologists, Midwifery and Womens Health is a process that this report focuses on gynecology medicines request which is passing strong growth. The report gives a companion to the gynecology medicines request which will be shaping and changing our lives over the coming ten times and beyond, including the requests response to the challenge of the global epidemic.

The global gynecology medicines request is anticipated to grow from$22.22 billion in 2020 to $24.68 billion in 2021 at a composite periodic growth rate (CAGR) of11.07. The growth is substantially due to the increase in gynecological diseases among women and rising cases of gynecological cancer. The request is anticipated to reach$31.21 billion in 2025 at a CAGR of 6.05. Women's Health Market.

ABOUT VENUE

Paris, France's capital, is a major European city and a global center for art, fashion, gastronomy and culture

Its 19th-century cityscape is crisscrossed by wide boulevards and the River Seine Beyond such landmarks as the Eiffel Tower media, professional services, research and development, tourism and transportation. It's one among the most important financial centers within the world and in 2019; London had the second highest number of ultra-high-net-worth individuals in Europe, after Paris. And in 2020, London had the second-highest number of billionaires of any city in Europe, after Moscow. and designer boutiques along the Rue du Faubourg Saint-Honoré.

Abstract submission opens: May 01, 2022 | **Registration opens:** May 05, 2022
Early bird registration: May 15, 2022 | **On spot registration:** September 10, 2022
