- Current Research in Cardiology
- Case Reports on Cardiology
- Cardio Geriatrics
- Heart Ablation

Invitation

If you are a cardiologist, Interventionist, Research scholar, Cardiac Nurse, or any other clinician with interest in cardiology, this meeting is for you!!

This 3rd Global Congress on heart is a world's premiere international educational event on cardiology that will be organized **on October 9 and 10, 2019 at the Madrid, Spain.**

Discuss science, to learn about the exciting developments in this field, to break away from the daily routine and to enjoy everything that the city of Madrid has to offer.

Take part in our provocative and engaging exchanges with leading diabetes experts & expand professional networks with colleagues from around the world.

A great tasting lunch with the opportunity to connect and make some new friends who totally get you.

The ultimate goal of this Heart Congress is to discuss about the most effective cutting-edge strategies to help doctors to reach their treatment goals with patients and avoid the associated acute and chronic complications. We promise to infuse some good eats and interesting interaction along the way.

Internationally leading scientists are joining us here in to present and discuss their most recent research and achievements during this event.

We personally invite you to join us in this exciting endeavour.

This program will give an opportunity to present research, unique techniques or clinical experiences oral presentations Each Plenary talk will be given 25 minutes. We recommend you plan to present for approximately 20 minutes with 5 minutes for questions/discussion.

Participate in this program, where we pair experienced clinicians with a small group of mentees to meet with throughout the conference. This exclusive benefit of delegates allows clinicians to ask questions, get advice, and build their network

The poster exhibition will be located on the exhibition area of the congress center. The area will be clearly signposted from the registration area.

BEST POSTER AWARD will be given to the poster by the International Organizing Committee

Abstract Submissions can be done through online or email, heart@pulsusseries.com
