International Conference on
Heart Congress, Vascular Biology & Surgeons Meeting | Dec 04-05, 2017 | Dallas, Texas, USA

Day 1 December 04, 2017	
08:30-09:00	**Registrations**
09:00-09:30	**Opening Ceremony**
Keynote Forum	
09:30-10:45	**Title: The role of lymphatics on vascular health**
	Gerald M. Lemole, Temple University, USA
10:45-11:30	**Title: Cell-cell Contact Can Promote Endothelial Cell Activation and Migration**
	Candece Gladson, Cleveland Clinic, USA
	Coffee Break 11:30-11:45
	Networking & Photo Session
11:45-12:30	**Title: The importance of the microcirculation following subarachnoid hemorrhage**
	Gavin Britz, Neurological Institute Houston Methodist, USA
Workshop	
12:30-13:30	**Therapeutically targeting angiogenesis: Characteristics of tumor-associated endothelial cells and a new mechanism of resistance to *bevacizumab***
	Candece Gladson, Cleveland Clinic, USA
	Gaelle Muller-Greven, Kent State University, USA
	Adam Lauko, Case Western Reserve University, USA
	Lunch Break 13:30-14:30
Keynote Forum Continues	
14:30- 15:15	**Title: Heme and vascular disrupting agent in non-small cell lung cancer**
	Li Zhang, University of Texas at Dallas, USA
Sessions: Vascular Biology | Neurological Vascular Diseases | Vascular Oncology |	
Session Chair:	**Alfred Sparman,** Sparman Clinic, USA
Session Co-chair:	**Pavel Poredoš ,** University Medical Centre Ljubljana ,Slovenia, Europe
15:15-15:40	**Title: Analysing novel regulators that may affect vascular integrity and function**
	Vishwanie Budhram-Mahadeo, University College London, UK
15:40-16:05	**Title: Endothelial intracellular molecule *LSP1* regulates the chemotactic directionality of extravascular migrating neutrophils**
	Liu Lixin, University of Saskatchewan, Canada
16:05-16:30	**Title: The effects of a combined *Bryophyllum pinnatum* , *Moringa olefeira* and vitamin C phytotherapeutic agent on cholesterol levels**
	Alfred Sparman, Sparman Clinic, USA
	Coffee Break 16:30-16:45
16:45-17:10	**Title: Inflammation and vascular disease**
	Pavel Poredoš , University Medical Centre Ljubljana ,Slovenia
17:10-17:35	**Title: Neutrophil to lymphocyte ratio is related to ischemic event and short-term mortality in patients with acute coronary syndrome**
	Noujoum Zmouli, University Hospital Establishment, North Africa
Panel Discussions	
Day 2 December 05, 2017	
Keynote Forum	
09:00-9:45	**Title: To be updated…**
	Alfred Sparman, Sparman Clinic, USA
Session: Pediatric Vascular Anomalies | Medicines and Interventions | Cardiovascular Fibrosis	
Session Chair:	**Dhan Kuppuswamy,** Medical University of South Carolina, USA
Session Co-Chair:	**Yopie Afriandi Habibie,** Syiah Kuala University, Indonesia
09:45-10:10	**Title: On the regulation of local cerebral blood flow by neurons and astrocytes**
	Adam Institoris , University of Calgary, USA
	Coffee Break 10:10-10:25
10:25-11:00	**Title: Influence of combined conventional and modified ultrafiltration in neonates on coagulation, hemodynamic and blood loss after pediatric cardiac surgery**
	Yopie Afriandi Habibie, Syiah Kuala University, Indonesia
11:00-11:25	**Title: CD45+ fibroblast in maladaptive cardiac fibrosis and its suppression by a caveolin-1 surrogate peptide**
	Dhan Kuppuswamy, Medical University of South Carolina, USA

11:25-11:50	**Title: Short term outcome of thoracic endovascular aortic repair in patients with thoracic aortic diseases**
	Huthayfa Ghanem, Alexandria University, Egypt
11:50-12:20	**Title: Central obesity and its implicated adverse health conditions are a major concern of some people**
	Iwezu Happy Nonso, University of Nigeria, Nigeria
Lunch Break 12:20-13:20	
Poster Presentation 13:20-13:50	
VB 1	**Title: Bilateral internal iliac artery aneurysm submitted to endovascular treatment: Case report**
	André Luís Foroni Casas , Cirurgia Vascular, Brazil
VB 2	**Title: Fluvastatin inhibits AGE-induced cell proliferation, migration, and ECM accumulation in VSMC by targeting CTGF**
	Youngjin Kang, Yeungnam University, South Korea
VB 3	**Title: Right foot replantation after trauma: Case report**
	André Luís Foroni Casas, Cirurgia Vascular, Brazil
*****5 Speakers slots are available*****	
Closing Ceremony	
Networking and Panel Discussion	

Note: Tentative Program has been designed with the projected Speakers Names and Titles. Dates and timings in this program are subject to change
