ABOUT US

ICCCE 2020 will highlight the recent progressions in the field of chemistry around the globe. This indeed will provide a fostering innovative environment to learn the insights and to exchange the ideas and thoughts among the delegates and the renowned speakers. This event will provide a great opportunity for the delegates to explore the beautiful city as well as to enhance their knowledge in the field of chemistry. It helps to build a bridge between the research scholars and the business professionals to experiment the innovations. Pulsus Conferences provides a great opportunity for the young minds to win exciting 'Young Scientist Awards' by showcasing their inner talents.

The supreme goal of the conference is to provide a magnificent event that comprises of many activities like discussion, poster presentation, workshops, seminars, symposiums, exhibitions, and so on. This allows the attendees mainly the budding young minds to exhibit and showcase their talents and ideas as well as to gain some novel ideas from the notable speakers. We amicably invite all the concerned academicians and interested scientists to join us at the gathering and to make it a successful event by your presence.

OBJECTIVES

After participating in this meeting, attendees should be able to

- Discuss emerging research prospects
- Discuss and apply recent research findings
- Disseminate the diverse voices of breakthrough innovators with visionary and practical solutions

CALL FOR ABSTRACTS

Don't miss this chance to present research on Medicinal chemistry, Materials Chemistry, Chemical Engineering many other researches at **"ICCCE 2020"** in London, UK on September 21-22, 2020.

It is an opportunity for the young talents to network in a formal setting with the plenary speakers and top scientists in the field.

"Poster and Oral presentation slots are available"

Participation in these sessions is upon submission of an abstract (see details below). Applicants will be selected based on the quality of their abstract.

ICCCE 2020 OUTLOOK

- Explore the best in Cutting edge Research
- Change to learn beyond your field of Interest
- Keynote sessions by world's most eminent and distinguished researchers
- Conference Participation Inspires, Rejuvenate and Energize participants
- Learning and Knowledge in a single package
- Speaker's representation from 30+ Countries
- Conference | 2 Days

TOPICS TO BE DISCUSSED

Track 1 : Analytical Chemistry
Track 2 : Biochemistry
Track 3 : Chemical Engineering & Petrochemistry
Track 4 : Colloid and Surface Chemistry
Track 5 : Computational Chemistry
Track 6 : Electrochemistry
Track 7 : Food & Agricultural Chemistry
Track 8 : Green and Sustainable Chemistry
Track 9 : Industrial Chemistry
Track 10 : Inorganic Chemistry
Track 11 : Materials Chemistry
Track 12 : Medicinal Chemistry
Track 13 : Organic Chemistry
Track 14 : Pharmaceutical Chemistry
Track 15 : Polymer Chemistry
Track 16 : Forensic Chemistry
Track 17 : Nuclear Chemistry
Track 18 : Physical Chemistry
