7th WORLD CONGRESS ON

IMMUNOLOGY

APRIL 19-20, 2018

AMSTERDAM,NETHERLANDS

PULSUS is all set for an optimistic tone for the conferences to escalate medical & scientific know-how and create cognizance on the latest research findings & unfoldings in a manner that testifies not only brilliance but also transparency

Invitation

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. San Antonio is all set for an amazing event as PULSUS proudly presents the "**7th World Congress on Immunology, April 19-20, 2018, Amsterdam, Netherlands.**

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Pediatrics from around the world to participate in the upcoming **Immunology World 2018**. The meeting for this year will revolve around the theme "Translating basic immunological discoveries into useful tools." thus relaying the most cutting edge findings in the field of **Immunology** Research.

The three day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach.

Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

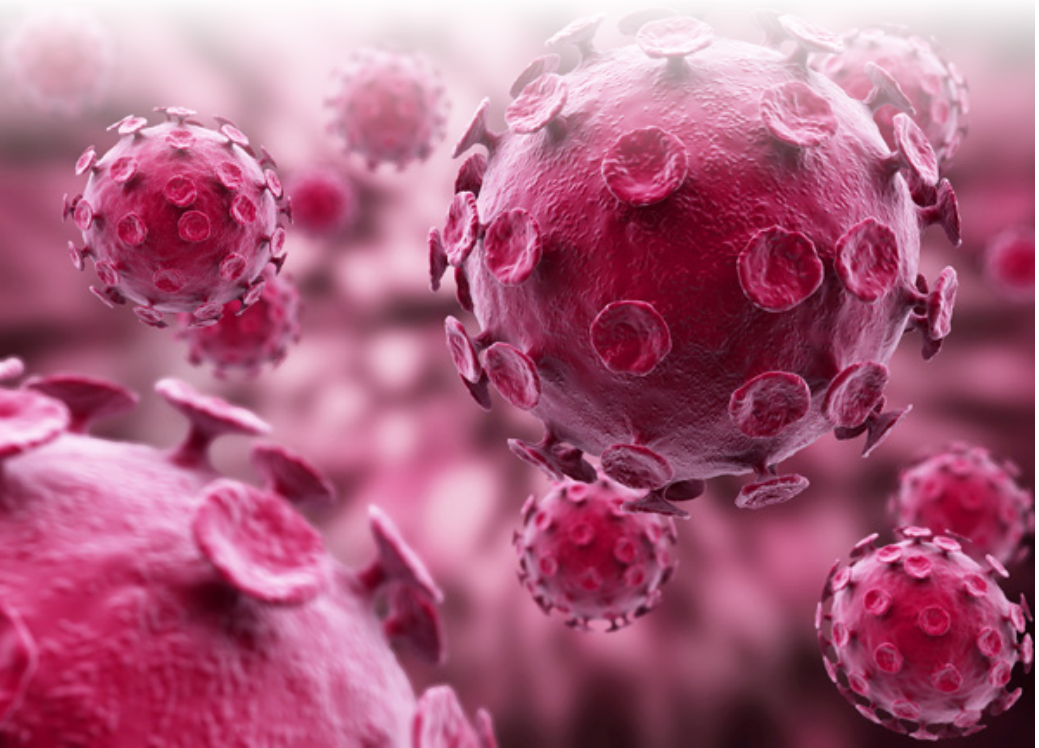

Regards

Immunology World 2018

Conference Highlights

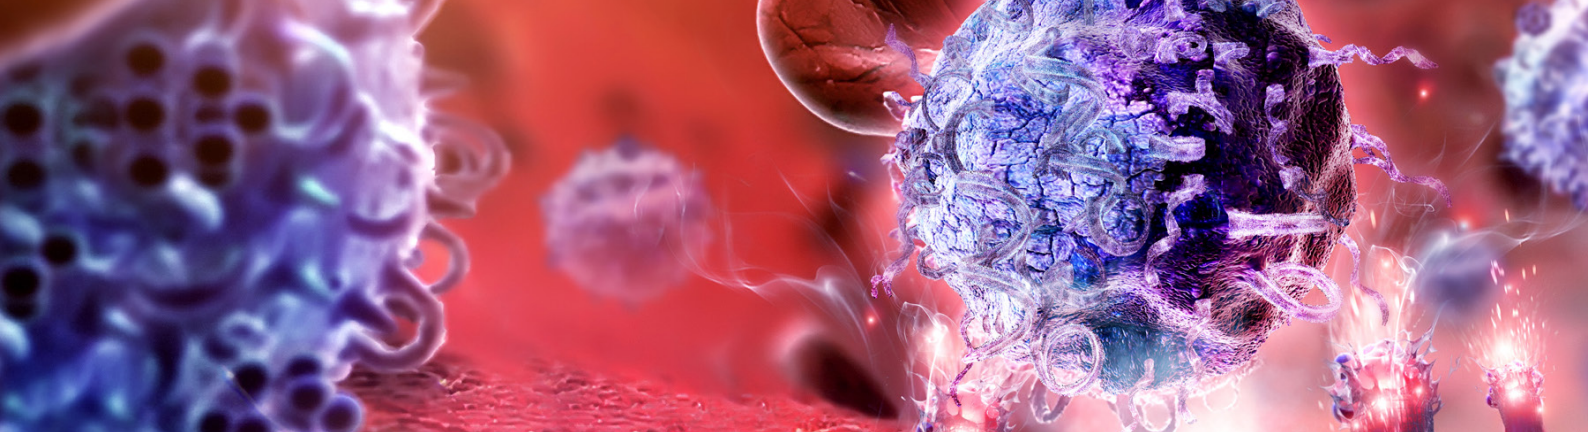

- Immune responses
- Systems Immunology
- Antibodies
- Vaccinology
- Immunological Assays
- Immunity & infectious agents
- Cancer & Tumor Oncology
- Immunotherapy
- Immuno Genetics
- Transfusion Immunology
- Immunopathology
- Clinical Immunology
- Immune tolerance
- Immuno proteomics

Pulsus Group Conferences

300+ **International Medical & Scientific Conferences, summits and events**

Distinctive Features

- **Attend and earn CE, CME & CPD credits.**
- **Learn about the latest developments in your field and aid your own growth.**
- **Meet your target audience & expand your B2B network.**
- **Get your research published in conference proceedings and renowned journals.**
- **Go live streaming on Youtube.**
- **Spread your knowledge. Conduct workshops, symposiums and exhibit your best products**
- **Call for Investors-Investors Meet**

About Pulsus:

- PULSUS conferences act as a catalyst on the research trends that really matter and spurring their adoption by exploring and disseminating cutting-edge information. Thus, mainly adhere to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.
- Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.
- Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. We want our conferences, societies, associations and the technology communities and companies who participate in them, to include, encourage, and recognize people of all races, ethnicities, genders, ages, and abilities. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Immunology World 2018

7th World Congress on Immunology

APRIL 19-20, 2018 AMSTERDAM, NETHERLANDS

http://immunology.cmesociety.com/

Email: immunologyworld@immunologysociety.com (or) immunologyworld@cmesocietyconferences.com

Pulsus Group Journals (www.pulsus.com)

- **30 years excellence in Medical publishing**
- **50+ journals in association with 20+ International medical and scientific societies**
- **Peer review publishing for Associations, Societies and Universities in Highly Indexed Reputed Journals**
- **Summary proceedings, custom publications and electronic publications.**

Exhibition and Sponsorship

- **An Exhibition will be held simultaneously with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new developments in the field of Pediatrics**

Additional benefits as follows:

- **Free exhibition booth for your association.**
- **Honorable guests for your presidents.**
- **Logo advertisement in the conference proceedings.**
- **Data sharing for your association.**

Conference Agenda

Conference Agenda

CONFERENCE AT A GLANCE

Day-1	Day-2
08.00-09.00	08.00-09.00
Reception/Registration	Reception/Registration

7th WORLD CONGRESS ON IMMUNOLOGY

April 19-20, 2018

Amsterdam, Netherlands

Pulsus *Group takes pride in getting the endorsements of prestigious societies and medical research assosiations world wide.*

Market Analysis

Immunology World 2018 is an opportunity or a platform to focus and analyze recent innovations and challenges in the field of Immunology. Thus contributing both academicians and business partners to grow and spread their research and products respectively. Immunology World 2018 welcomes attendees, presenters, and exhibitors from all over the world to April 19-20, 2018 in Amsterdam, Netherlands

Immunology World is a branch of medicine concerned with the prevention, diagnosis and treatment of infectious diseases The field of Immunology is growing rapidly and its development is making tremendous impacts in medical sciences and pharmaceuticals. The importance and significance can be gauged by the fact that it has made huge advancements over the course of time and is continuing to influence various sectors.

The Global microbiology market is growing due to increase in prevalence of pathogenic diseases, growth in discovery of mutating and adapting bacterium, and the growing need for speedy microbiological testing methods. In Rome there are 414 researchers and many Societies, Associations are related to Microbiology and Microbial genomics. On the basis of geography, the clinical microbiology, Europe holds the second place in the global market in the field of Clinical Microbiology and microbial genomics. The market growth is expected to reach $ 65 billion by 2024 in Europe. In Europe countries like UK, France, and Germany are possessing good market share in the field of immunology and infectious diseases. Spain and Italy are the emerging market trends for clinical microbiology in Europe. As per the scope and emerging market for Immunology World Netherlands has been selected as Venue for the 7th World Congress on Immunology. Immunology World 2018 provides you with an exceptional format to showcase services and the scientific program paves a way to gather visionaries through the research talks and presentations and put forward many thought provoking strategies on Immunology World 2018.

About City

Amsterdam is the Netherlands' capital, known for its artistic heritage, elaborate canal system and narrow houses with gabled facades, legacies of the city's 17th-century Golden Age. Its Museum District houses works by Rembrandt and Vermeer at the Rijksmuseum, the Van Gogh Museum and modern art at the Stedelijk. Cycling is key to the city's character, and there are 400km of cycle paths. The city has the highest museum density in the world and is home to cultural highlights, such as the Van Gogh Museum, Anne Frank House, Hermitage Amsterdam and the Rijksmuseum with Rembrandt's world-famous Nightwatch. Other well known places of interest in Amsterdam are the Palace on the Dam, the Artis Zoo, Jewish Historical Museum and the Rembrandt House.

Target Audience

- Specialists in Immunologist
- Academicians
- Immunology Educators
- Disease Specialists
- Immunology research groups
- Veterinary parasitologists
- Medical doctors
- Immunology Societies & Organisations
- Health professionals
- Biomedical Researchers
- Research scholars
- Students

City Attractions

- Gassan Diamonds Amsterdam
- Artis Royal Zoo
- Amsterdam Canal Tour
- Hortus Botanicus Amsterdam
- Friday Night Skate
- Nieuwe Kerk Amsterdam
- The Amsterdam Arena
