Theme: Innovations in Advanced Medicine and Healthcare for Enhanced Patient Care

International Conference on

Advanced Medicine and Healthcare

April 25-26, 2024 | London, UK

https://advanced-medicine.cmesociety.com/

INVITATION

ADVANCED MEDICINE 2024

We are thrilled to extend a warm welcome to all distinguished individuals, academics, and research experts for the upcoming **International Conference on Advanced Medicine and Healthcare** scheduled to be held from **April 25-26, 2024**, in the vibrant city of London, UK.

The primary objective of Advanced Medicine 2024 is to facilitate global networking and the exchange of knowledge among renowned professionals, thereby enriching our collective understanding.

Anticipate engaging sessions filled with insightful discussions, thought-provoking presentations, and valuable networking opportunities. We believe that this conference will not only serve as a platform for the dissemination of knowledge but also act as a catalyst for lasting connections, collaborations, and the generation of innovative ideas.

The event will delve into ground breaking concepts and methodologies, challenging our assumptions and encouraging creative solutions to critical issues in the field.

Join Advanced Medicine 2024 to engage with esteemed speakers, enhance your expertise, and shape the future of healthcare through collaboration. Your active participation is key to fostering meaningful interactions and networking opportunities. Don't miss the chance to contribute to the advancement of Medicine and Healthcare.

Regards
Organizing Committee
Advanced Medicine 2024

CONFERENCE HIGHLIGHTS

- Advanced Medicine
- Global Healthcare
- Primary Healthcare
- Family Medicine
- AI in Healthcare
- Palliative Healthcare
- Pediatric Healthcare
- Telemedicine and Remote Healthcare
- Emergency Medicine and Healthcare
- Intensive and Critical Care Medicine
- Dermatology and Skin Health
- Emerging Infectious Diseases
- Surgery and Healthcare
- Public Health
- Pain Management
- Advances in Medical Imaging
- Nutrition and Dietetics
- Geriatric Medicine
- Neurocritical Care
- Transplant Medicine
- Nutrition in critical Care
- Resuscitation in Advanced Medicine
- Pharmacology and Therapeutics
- Critical Care Nursing
- Wound Management
- Mental Health and Psychiatry
- Quality Improvement and Patient Safety
- Medical Education and Training
- Health care Equipments
- Nanomedicine and Nanotechnolog

35
Years Excellence

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for Scientists and Researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between Universities, Institutions, research bodies and Organizations from different countries through International Conferences and Meetings.

Pulsus Group is an International Renowned Medical peer-review publisher and conference organizer established in the year 1984 publishes and hosts the work of Researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of more than 35 years of excellence in Medical Publishing we are endorsed by various societies like World Association of Medical Sciences, International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, International Society for Ceramics in Medicine, Thalassemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

The healthcare analytics market is poised for rapid growth, projecting a 24.79% CAGR, reaching USD 66,537.33 million by 2028. Factors driving this surge include increased Big Data integration, rising Electronic Health Record (EHR) adoption, and supportive government initiatives. Healthcare analytics involves applying analytical models to extract insights, empowering informed decisions. The software deciphers historical data, foresees outcomes, and enhances clinical, financial, and operational decisions, resulting in cost savings and improved care quality. Geographically, the North American market is set to reach USD 43.41 billion, Europe at USD 13.9 billion, Asia Pacific at USD 5.30 billion, Middle East and Africa at USD 1.78 billion, and Latin America at USD 1.0 billion by 2028. This dynamic sector significantly impacts societal development, economic prosperity, and global well-being

TARGET AUDIENCE

- Surgeons
- Doctors
- Surgical Technicians
- Research Scientists
- Nurses
- Healthcare professionals
- Anesthesiologists
- Medical Industries
- Physicians
- Academic Scientists
- Students

WHO SHOULD ATTEND

- Medicine and Healthcare
- Students Researchers
- Industrial Investors
- Operating room nurses
- Physicians
- Anesthesia residents
- Surgical assistants
- Healthcare Association and Societies
- Perioperative nurses
- Pain management specialists
- Clinical researchers in medicine and healthcare

WHY TO ATTEND

Advanced Medicine 2024 stands as a global conference uniting experts across diverse medical and healthcare fields. This event offers a chance to delve into cutting-edge research, spark innovation in contemporary trends, connect with influential figures, interact with medical experts, attend compelling keynote talks, advance your career, and access valuable resources. Additionally, it serves as a gathering for renowned doctors in the realms of Medicine and Healthcare.

- Insights from Cutting-Edge Research
- Innovative Ideas and Trends
- Networking Opportunities
- Access to key opinion leaders
- 5+ Workshops

ABOUT VENUE

London, the capital city of the United Kingdom, is a vibrant metropolis that seamlessly blends history with modernity. Steeped in tradition and boasting a rich cultural tapestry, London offers a myriad of attractions that cater to a diverse range of interests. Here are some of the top places to explore in this iconic city:

The Tower of London:
A historic castle located on the banks of the River Thames, the Tower of London has played a central role in British history. It has served as a royal palace, prison, and even a treasury.

The British Museum:
Home to a vast and diverse collection of art and artifacts, the British Museum is a treasure trove of human history. The museum's exhibits span centuries and civilizations, including the Rosetta Stone, the Elgin Marbles, and the Egyptian mummies.

Buckingham Palace:
The official residence of the British monarch, Buckingham Palace is an iconic symbol of the monarchy. Witness the Changing of the Guard ceremony at the palace gates and explore the beautiful surrounding St. James's Park.

The Houses of Parliament and Big Ben:
Overlooking the River Thames, the Houses of Parliament are a magnificent example of Gothic architecture. The iconic clock tower, known as Big Ben, stands tall nearby. While Big Ben is undergoing renovations, the beauty of the Parliament and the Westminster Bridge still make for a breathtaking sight.

The British Library:
For literature enthusiasts, the British Library is a haven. Home to over 150 million items, including manuscripts, rare books, and maps, the library is a scholarly paradise. It also houses important historical documents like the Magna Carta.

Abstract submission opens: NOVEMBER 01, 2023 | **Registration opens:** NOVEMBER 01, 2023
Early bird registration: NOVEMBER 30, 2023 | **on spot registration:** APRIL 25, 2024
