INTERNATIONAL CONFERENCE ON

ONCOLOGY AND CANCER RESEARCH

OCTOBER 09-11, 2023 | PARIS, FRANCE

https://oncology.pulsusconference.com/

INVITATION

ONCOLOGY 2023

Good Will,

PULSUS brings an advanced revolution by demonstrating the most recent advancement in the field of Oncology and Cancer Research. Observe the keynotes from the expertise professionals and also fraternize with the inventors and developers around the globe.

PULSUS proudly presents the "**International Conference on Oncology and Cancer Research**" slated during**October 09-11, 2023**| **Paris, France.** International Conference e on Oncology and Cancer Research has been planned to invent a multidisciplinary approach with a legion of tracks to designate from each division which brings you an extraordinary convenience to reach the peers from both academia and industry and also to inaugurate a scientific network with them. We warmly welcome all the interested people to come and accompany us at our event and make it prosperous by your involvement and participation. The interested professionals can confirm their participation by registering in Oncology 2023. Register soon and avail Exciting Early bird discounts.

Regards

Emily Maeve

Program Manager | Oncology Conference 2023

CONFERENCE HIGHLIGHTS

- Clinical Oncology
- Oncology Nursing
- Organ-Defined Cancers
- Innovations In Cancer Research
- Biomarkers in Cancer Stem Cells
- Cancer Nanotechnology
- Cancer Clinical Trials
- Neuro-Oncology
- Cancer Nanotechnology
- Head/Neck Cancer
- Blood Cancer
- Breast Cancer
- Oral and Oropharyngeal cancer
- Colon Cancer
- Pelvic Cancer
- Skin Cancer
- Regenerative Medicine
- Herbal Treatment for Cancer
- Cancer Immunology
- Advancements in Cancer Treatment
- Tumor vs Cancer
- Oncology

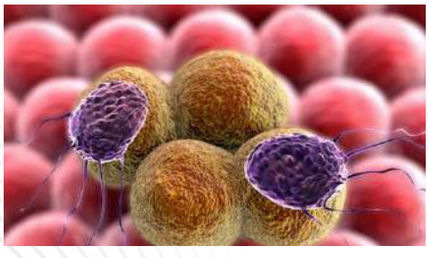

35

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

The rising Oncology trouble across the globe inferable from the expanded utilization of liquor and tobacco is driving the development of the worldwide Oncology market. The Worldwide Organization for Exploration on Malignant growth (IARC), in its report GLOBOCAN, has expressed that around 19.3 million new disease cases and around 10 million passing's connected with disease were kept in 2020, across the globe. The IARC has assessed that the new malignant growth cases are supposed to ascend by 47% all around the globe from 2020 to 2040. he oncology therapeutics alone records for around 20% of the worldwide deals of the drugs.

Around the world, chronic diseases are the essential driver of mortality and incapacity. Chronic Disease represent around 60% of passing's and 43% of worldwide sickness trouble, as per the WHO's worldwide status report on non-transferable infections 2010. Constant illnesses are long haul moderate afflictions that are among the most costly and normal medical services difficulties on the planet.

TARGET AUDIENCE

- Surgeons
- Health-care Analysts
- Students, Interns and Residents
- Research Faculties
- Doctors and Nurses
- Directors/Managers/CEO's
- Presidents & Vice Presidents
- Scientists and Professors
- Academic Scientists
- Medical Colleges, Universities
- Societies & Associations
- Business Entrepreneurs
- Manufacturing Medical Devices Companies
- Industry Professionals

WHO SHOULD ATTEND

- Medicine and Surgery
- Radiologists
- Students Researchers
- Industrial Investors
- Physicians
- Women's Healthcare Researchers
- Medical Colleges and Universities
- Healthcare Associations and
- Societies
- Business Entrepreneurs
- Training Institutes
- Oncologists
- Pharmaceutical Industries

WHY TO ATTEND

The Oncology and Cancer research conference are one of the best ways to hear about the recent advancements and innovations in Oncology and Cancer Research. Most of the nurses are interested to enhance their knowledge and practice by learning the latest developments. And for them, the International Conference on Oncology and Cancer Research is the best stage with the following benefits.

1. To gain opportunity to meet and interact with experts in the field of Oncology and Cancer (After the conference sessionsB2B meetings are arranged for the interactions)
2. To present and develop the research ideas and projects
3. To learn the greatest and latest innovations in the area of practice
4. For visiting and exploring a new city or country
5. To experience a personal growth.

ABOUT VENUE

Paris is the capital city of France and is one of the most popular tourist destinations in the world. It is located in the north-central part of France and is known for its rich history, beautiful architecture, and cultural landmarks. Paris is home to many famous attractions, such as the Eiffel Tower, the Louvre Museum, the Notre-Dame Cathedral, the Champs-Élysées, and the Arc de Triomphe. The city is also known for its world-renowned cuisine, fashion, and art. Paris has a population of over 2 million people and is the most populous city in France. It is also a major economic center, with a diverse range of industries, including finance, technology, and tourism. Overall, Paris is a vibrant and cosmopolitan city that offers something for everyone, from history and culture to cuisine and nightlife.
