PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Rome is all set for an amazing event as PULSUS proudly presents the "6th International Conference on Material Science and Nanotechnology slated on July 22-23, 2019 at Rome, Italy.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Material Science professionals from around the world to participate in the upcoming Material Science 2019. The meeting for this year will revolve around the theme "**Future Outlook in the Fields of Material Science and Nanotechnology**" thus relaying the most cutting edge findings in the field of Material Science 2019. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

Material Science 2019
Organizing Committee

Conference Highlights

- Biomaterials
- Material Science and Engineering
- Biosensors
- Mining, Metallurgy and Materials Science
- Catalytic Materials
- Smart Materials
- Engineering Materials
- Advanced Composite Materials
- Functional Graded Materials (FGM)
- Nano Materials
- Nano Medicine
- Nano Medicine
- Nanoelectronics
- Nanorobotics
- Tools and Instruments of Nanotechnology
- Nanotechnology Applications
- Nanolithography
- Implications of Nanotechnology
- Energy Harvesting Materials
- Nanophotonics

About PULSUS

PULSUS
WWW.PULSUSCONFERENCE.COM

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

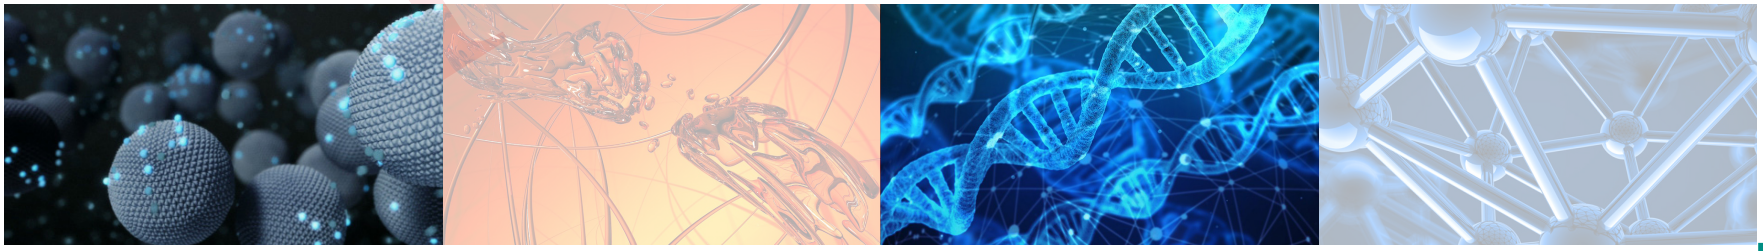

Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Market Analysis

PULSUS
WWW.PULSUSCONFERENCE.COM

Materials science, the investigation of the properties of solid materials and how those properties are controlled by a material's constitution and structure. It grew an amalgam of strong state material science, metallurgy, and engineering. Since the rich assortment of materials properties can't be comprehended inside the setting of any single established order. With a fundamental comprehension of the sources of properties, materials can be chosen or intended for a gigantic assortment of uses, running from auxiliary steels to microchips. Materials science is subsequently critical to designing exercises, for example, hardware, aviation, media communications, data handling, atomic power, and vitality transformation. Materials researchers accentuate seeing how the historical backdrop of a material (its handling) impacts its structure, and accordingly the material's properties and execution. The comprehension of preparing structure-properties connections is known as the materials worldview. This worldview is utilized to propel understanding in an assortment of research regions, including nanotechnology, biomaterials, and metallurgy damage or harm property. Such examinations are critical to comprehension, for instance, the reasons for different avionics mishaps and occurrences.

Target Audience

- Material Science Engineers
- Material Science and Nanotechnology Researchers
- Automobile Engineers
- Industrial Engineers
- Material Science Engineers
- Chemical Engineers
- Metallurgical
- Academic Scientists
- Students
- Diagnostic laboratory professionals
- Business Entrepreneurs
- Industry professionals
- Directors/Managers/CEO's
- Presidents & Vice Presidents
- Brand Manufacturers/ Marketers of Consumer Products
- Marketing, Advertising and Promotion Agency Executives

Why to attend?

Business Entrepreneurs, Training Institutes, students, Physicians, Nano scientists, Material Science Engineers, Industry professionals, Material Science Researchers, Undergraduate & Postgraduate students, researchers, Postdoctoral fellows and Trainees, Industrial Heads and Societies.

About City and Venue

PULSUS
WWW.PULSUSCONFERENCE.COM

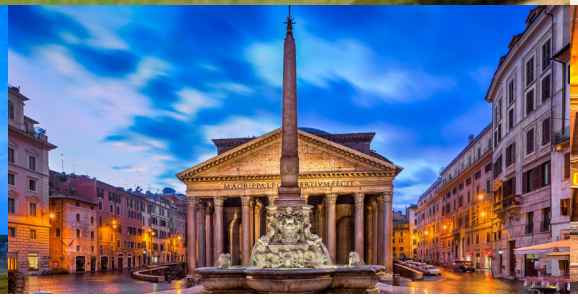

Rome, the Eternal City, is the capital and biggest city of Italy and of the Lazio area. It's the renowned city of the Roman Empire, the Seven Hills, La Dolce Vita, the Vatican City and Three Coins in the Fountain. Rome, as a thousand years in length focus of intensity, culture and religion, has applied an enormous impact over the world in its about 2800 years of presence.

"I found Rome a city of bricks and left it a city of marble."

-Augustus, Roman emperor

The notable focus of the city is an UNESCO World Heritage Site. With great castles, thousand years old houses of worship, amazing sentimental vestiges, lavish landmarks, elaborate statues and effortless wellsprings, Rome has an enormously rich verifiable legacy and cosmopolitan environment, making it one of Europe's and the world's most visited, acclaimed, powerful and excellent capitals. Today, Rome has a developing nightlife scene and is likewise observed as a shopping paradise, being viewed as one of the fashion capitals of the world (a portion of Italy's most seasoned gems and apparel foundations were established in the city).

Sponsorship

Why Sponsor Our Event?

- Maximum exposure at a premier conference devoted to those involved in the office professional industry.
- An opportunity to build and reinforce strategic relationships within the office professional industry.
- Time to network with industry colleagues and key decision makers.
- A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.
- Access to a broad network of industry partners from state and federal Government departments and the private sector.
- Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.
- Increased marketing opportunities including visibility on the conference website and associated marketing materials

Diamond Sponsor: $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

Gold Sponsor: $7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

Silver Sponsor: $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

Bronze Sponsor: $3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
