WORLD

ORAL & MAXILLOFACIAL SURGERY CONGRESS

DECEMBER 07-09, 2023 | DUBAI, UAE

https://maxillofacialsurgery.cmesociety.com/

INVITATION

MAXILLOFACIAL SURGERY CONGRESS 2023

Welcome to the prestigious **World Oral & Maxillofacial Surgery Congress**, set to take place in the vibrant city of **Dubai, UAE**, from **December 7th** to **9th 2023!**

Maxillofacial Surgery Congress 2023 invites all experts from academia, business, and industry to contribute to and shape this Maxillofacial Surgery Congress 2023 by submitting research abstracts, papers, and posters from around the world.

Maxillofacial Surgery Congress 2023 promotes global interdisciplinary collaboration and exchange among technologists while providing a unique platform for interactive discussions, invaluable insights, expertise expansion, and fostering connections with like-minded professionals worldwide.

On behalf of the organizing committee, we extend our warmest invitation to Maxillofacial Surgery Congress 2023 in Dubai. Prepare for an extraordinary event that will empower, inspire, and shape the future of oral and maxillofacial surgery.

Dubai will be a fantastic backdrop for our meeting, offering a fantastic social and scientific program. We are excited to welcome you to Dubai and make this congress an unforgettable experience.

We look forward to welcoming you to this remarkable gathering of brilliant minds from around the world.

We look forward to meeting you in Dubai!

Regards,

Organizing Committee

Maxillofacial Surgery Congress 2023.

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

The computer-aided oral and maxillofacial surgery market is expected to witness a market growth rate of 7.55% in the forecast period of 2021 to 2028, reaching a projected value of USD 1,510.25 million by 2028.

This growth is primarily driven by the increasing prevalence of dental and musculoskeletal problems. The global dental services market, with a valuation of USD 433.2 billion in 2022, is projected to experience a steady growth rate of 4.5% annually from 2023 to 2030.The dental implants segment was the market leader in 2022, holding a significant revenue share of over 21.2%. Dental implant restoration stands out as an effective option in the field of advanced oral care, offering patients functional and aesthetically appealing solutions for tooth replacement.The Asia Pacific region is expected to witness rapid growth in the oral care market, with a projected 5.7% growth rate from 2023 to 2030, driven by factors such as the increasing number of clinics, rising dental tourism, and growing awareness about oral care.

TARGET AUDIENCE

- Oral and Maxillofacial Oncologists
- Doctors
- Hospital Administrators
- Orthodontists
- Manufacturing Medical Devices Companies
- Associations and Societies
- Business Entrepreneurs
- Medical professionals
- Medical students
- Fellowship holders
- Dentists

WHO SHOULD ATTEND

- Oral and Maxillofacial Surgeons
- Anesthesiologist
- Plastic surgeon
- Dermatologist
- Dental Professionals
- Researchers
- Academicians
- Residents and Fellows
- Industry Professionals
- Dental Implantologists
- Oral Pathologists
- Oral and Maxillofacial Radiologists
- Oral and Maxillofacial Anesthesiologists

WHY TO ATTEND

Enhance clinical practice in maxillofacial surgery through expert-led sessions, advancing knowledge and best practices. Discover cutting-edge research, collaboration opportunities, and insights for your own projects at the congress, where researchers present their findings. Oral and maxillofacial surgery conferences broaden knowledge and exposes attendees to new ideas, approaches, and emerging trends, enhancing clinical practice and patient care.

- Influential keynote speaker session
- Faculty across 3 full days
- A mix of academic and healthcare delegations
- Interaction

WHY SPONSOR OUR EVENT?

ABOUT VENUE

Dubai is a modern city located in the UAE, known for its impressive landmarks such as the Burj Khalifa and Palm Jumeirah. It has a thriving economy driven by industries like real estate, tourism, and finance. The city offers a diverse cultural experience with a mix of Emirati traditions and a cosmopolitan population. Dubai is renowned for its luxury shopping malls, vibrant nightlife, and safe environment. It continues to attract visitors and businesses from around the world.

Cultural Diversity:

Dubai is celebrated for its cultural diversity, with residents and visitors from all around the world. The city's population is a melting pot of nationalities and cultures, creating a vibrant and cosmopolitan atmosphere. People from various backgrounds coexist harmoniously, allowing for a rich exchange of traditions, customs, and languages. Dubai embraces multiculturalism, and this diversity can be witnessed in its culinary offerings, festivals, art exhibitions, and community events. The city's multicultural environment fosters a sense of inclusivity and provides a unique opportunity for individuals to learn, appreciate, and celebrate different cultures.

Climate:

Dubai has a hot desert climate with extremely hot and humid summers, reaching over 40°C (104°F). Winters are mild and pleasant, ranging from 15°C (59°F) to 25°C (77°F). Rainfall is low, averaging around 100 mm (4 inches) per year, mostly occurring in winter.

Currency and transportation:

The currency used in Dubai is the United Arab Emirates dirham (AED). It is abbreviated as "د.إ" or "AED." The dirham is divided into fils, with 100 fils equaling 1 dirham. Dubai has a well-developed transportation system that includes various modes of transportation.

City of attractions:

The iconic Burj Khalifa is the world's tallest building, while the Palm Jumeirah boasts luxury resorts. Dubai Mall offers extensive shopping and entertainment, and Dubai Creek showcases the city's history. Burj Al Arab, a renowned luxury hotel, and Dubai Marina with its stunning waterfront are also must-visit destinations.

Abstract submission opens: April 01, 2023 | **Registration opens:** July 15, 2023
Early bird registration: August 01, 2023 | **On spot registration:** December 07, 2023
