## ABOUT US

On behalf of organizing
Committee, we are delighted to invite all the contributors on all parts of the world to explore the “International Conference on Medicine and Surgery” scheduled on September 07-08, 2020 in Prague, Czech Republic.

*International Conference on Medicine and Surgery* pledges an excellent field day to share your views and aims to showcase new convictions, strategies and tactics that no other conferences would offer. This conference comprises of keynote sessions, plenary talks, productive poster presentation, workshops and exhibitions providing insights to the significance and proficiency of medicine and surgery.

Medicine Congress 2020 features with the theme Propounding *Change of Direction in Medical Field* for the delegates from the field of medicine to interact with the world class scientists. The major focus of this conference is to outreach the advancement in the field of medicine and surgery by a global gathering and meeting of people from various diversities to share their knowledge.

## 01 WHO SHOULD ATTEND

Medical practitioners, Surgeons, Physicians, Academic researcers, Students, Clinical researchers and Study coordinators, Medical startups, Private researchers, Healthcare professionals etc...
